## DWTS CAST: FIRE SEAN!

Dragging their feet? The cast of *Dancing With the Stars* is threatening to waltz off — er, walk off the show unless ABC tells former White House press secretary Sean Spicer to hang up his tap shoes. “Yes, there have been politicians on the show before,” an insider admits, “but there are people, in front of and behind the camera who feel the network crossed a line casting Sean.” Even longtime host Tom Bergeron, 64, was opposed to letting the ex-communications director, 47, compete for the Mirrorball Trophy! “Sean isn’t a celebrity,” explains the insider. “He’s a public servant who lied to the country and now he’s getting rewarded for it!”

While host Tom has been the most vocal, “no one wants Sean on the show,” says a spy.

## Felicity & Lori MIFFED AT LIFETIME MOVIE

*College Admissions Scandal* is about two moms who “must face the consequences of their crimes,” reads the press release.

Ripped straight from the headlines! News that Lifetime is shooting a made-for-TV movie based on the college admissions cheating scandal has left Lori Loughlin, 55, and Felicity Huffman, 56, reeling. While the *Fuller House* alum heads to trial and the *Desperate Housewife* awaits sentencing, “there have been people, thought to be writers or researchers for the network, snooping around, asking Lori’s and Felicity’s families, friends and professional acquaintances lots of questions,” an insider tells *Life & Style*. “Lifetime insists that the soap opera-style film isn’t about either of them, but everyone knows where they got the inspiration for two wealthy mothers who share an obsession with getting their teenagers into the best possible college.”
