

Marlin Bay Resort & Marina values the health and well-being of all our guests, employees and community. In response to the Coronavirus (COVID-19) outbreak and directive of local authorities, Marlin Bay Resort & Marina is not accepting new vacation home rental and transient marina slips reservations for use through May 31st. Currently in-house, nontransient marina slip rentals are not affected by this order and our resort remains open for these guests with limited services and amenities.

We are making great efforts to connect with all guests impacted by our temporary closure. If you have any questions regarding a vacation rental reservation, please email rs@elitealliancehospitality.com for assistance. For guests with reservations after May 31st, we will contact you if we foresee any changes.

We will continue to closely monitor any information from the Center for Disease Control (CDC) and the World Health Organization (WHO) for any updates. For now, we urge our community to take the highest precautions to ensure everyone's safety. For more information, visit www.cdc.gov and www.who.int.

We look forward to welcoming you back to Marlin Bay Resort & Marina soon.

Sincerely,
Marlin Bay Resort & Marina
