If there are any needs not addressed within, it would be our pleasure to discuss them with you. The events department must be provided with all meal function selections no later than ten (10) business days prior to the event. 30-minute delays (or more) for meal functions will have a fee assessed based on timing and event size. Prices on the enclosed menus are subject to change based on market fluctuations. All pricing will be confirmed ninety (90) days prior to your event. Total costs vary according to the menu selection and type of event.

FEES
A $2,500.00 food and beverage minimum applies to all cooking classes. Our standard is one bar/bartender up to 100 guests. If revenues do not meet or exceed $500, exclusive of Service Charge and Sales Tax per bar, the difference for each bar will be assessed for each bar. CONFIRMATION OF ATTENDANCE/GUARANTEES
In order to ensure the success of your event, it is necessary for the events department to be notified with your final person count no later than (3) business days prior to the event date. This number will not be subject to any further reduction after the guarantee has been given. If the meetings and events department is not notified by the time the guarantee is due, the estimated attendance as noted on the banquet event order will serve as your guarantee. Should your attendance increase suddenly or unexpectedly the Resort cannot guarantee identical service more than 3% over your guarantee. Your final bill will be charged for your actual attendance or guarantee count, whichever is greater.
