one story AMONG MANY

Alyssa and Matt's Wedding Experience

Mission Point Resort went above and beyond to make our wedding day exactly how we wanted it to be. They worked well with our outside vendors and got everything set up perfectly. Their staff was there with the answers to all questions we had. They truly made it feel like we were their top priority, even when there were several weddings happening that day at Mission Point. I would recommend Mission Point Resort to anyone. We had our ceremony at the Gazebo and our reception in Cypress Room - all their other reception locations were amazing as well!"
