## art at MISSION POINT

Mission Point is more than a resort, it's an experience. Celebration of the arts embodies a core component of our lifestyle. Located in the Fine Arts Building, Mission Point is home to the Mackinac Arts Council and one of its largest supporters. Ongoing exhibits are featured throughout the season as well as community events including Music in the Park, workshops at the Richard & Jane Manoogian Mackinac Art Museum and year-round community theater productions.

Mission Point also partners with the Detroit Institute of Art's (DIA) Inside|Out program with high-quality reproductions of well-known arts displayed throughout the property. This program connects the art to new audiences outside of traditional museum walls. Ten framed images dot around Mission Point's 18 acres in some expected, and unexpected places. This random act of culture elicits surprise and wonder with our guests when they discover the different pieces.

In 2018, Mission Point ownership purchased a handmade bronze sculpture by Andy Sacksteder named "Reach and Splash", which can be found on the Greens of Mackinac Executive Putting Course. This piece was voted first place in the Installation category at ArtPrize 2015.

While Mission Point is closed during the winter months, the 6-month off-season on Mackinac Island is truly a time of inspiring beauty. Mission Point created an Artist-in-Residence program in 2015, which allows a few talented individuals to the opportunity to visit Mackinac during these serene winter months to express their creativity and hone their craft. Explore the works they have left behind in the Fine Arts Building.

### Welcome

*Who we are*

We are caring, friendly, and genuine. We love Mackinac Island and Mission Point and take great pleasure in sharing our special place with guests from near and far. Our multi-national team (family) believes Mission Point hospitality truly comes from the heart, not a training manual.

*What's cooking*

Delicious, high quality, sustainably sourced, and innovative are the hallmarks of cuisine at Mission Point's five restaurants and eateries. House-made rules the kitchen; family gatherings and special events fill the house.

### Wellbeing

Mission Point is the ideal locale on Mackinac Island to embrace healthy bodies, minds, and lifestyles. Recharging and reconnecting is one of the greatest rewards of a Mission Point visit.

### Culture

*Celebrating the creativity of the human spirit*

Building on the legacy of our Native American and European ancestors who came to this special place, we celebrate, as they did, the creativity and spark of the of the human spirit here on the island. Mission Point houses the Mackinac Arts Council, its gallery, and is its primary funder. Through music, art, lectures, plays, movies, song, dance and more, Mission Point continues its long held belief that the creativity of the human spirit thrives on Mackinac Island.
