SPA YOUR WAY TO WELLNESS

At Vista Blue Spa, tranquility surrounds you.

Welcome to the wellness found only on the shores of the Pacific Ocean. From the gentle rhythms of the Monterey Bay to the panoramic views from our sundeck, spa living supports the restoration and rejuvenation of your body, mind and spirit.

Let the warmth of the sun, the mist of the fog, and the fresh ocean breeze awaken your senses. Whether you are here for an hour, a day, or maintain a spa lifestyle, Vista Blue Spa is your tranquil sanctuary.

SUPPORTIVE WELLNESS

Balancing the stress of daily life can seem out of reach. Our highly trained technicians are here to provide support in maintaining a sense of wellness each and every day. These core treatments will aid in an instant sense of relaxation, while providing benefit beyond your spa day.

Classic Massage

Traditional Swedish massage to provide a sense of balance and refreshed body, mind and spirit. Light to medium pressure.

Warm Stone Massage

Combining the traditional Swedish massage and the deep penetrating heat of warmed stones, this treatment will increase your level of relaxation and melt away stress and tension.

Mother 2 Be Massage

This massage experience provides relaxation and aids in relieving physical discomforts during this beautiful time of change. Supportive cushions available.

Classic Facial

Based on the classic European traditions, this facial will provide skin analysis, thorough cleansing, mask and light facial massage.

Wellness Facial

Combining traditional European skills with locally derived essential oils, this facial provides a gentle and natural way to increase the health and vitality of your skin.

Replenish Body Scrub

The remedy to the daily challenges that leave your skin feeling neglected. This sensorial experience of a body polish and hydration application will aid in exfoliating off the remnants of the day to day. Can be adapted for pregnancy.

Himalayan Salt Room Experience

Sit, relax and inhale the purifying properties of the Himalayan Salt regions. Dating back to Ancient Greece, salt inhalation therapy has long been credited to be anti-inflammatory, detoxifying and a vital defense to respiratory issues such as allergies, asthma and the common cold.

RESTORATIVE WELLNESS

When environmental factors and the stress of a busy life presents itself, it is sometimes necessary to go deeper into wellness and re-arm yourself with proven techniques that assist the body and spirit to live well.

Head to Toe Massage

Dry brushing to aid in detoxification and to calm the nervous system, a gentle massage to ease muscle tension and a warm oil scalp massage to heighten awareness and relaxation.

Deep Tissue Massage

Sports style massage providing deeper work into the muscle tissue. Can target specific muscle aches and issues. Perfect for the athlete and weekend warrior alike.

Aromatherapy Massage

The healing benefit of pure essential oils blended to create a wellness journey. Based on your current state of being, a personal selection of blends are incorporated into a therapeutic and relaxing massage.

Brightening Facial

Packed with antioxidants and anti-inflammatory properties, the specific ingredients provide instant brightening and hydration.

Clarifying Facial

A treatment to reduce bacteria and acne while delivering powerful healing antioxidants to simultaneously nourish and hydrate your skin, leaving it feeling invigorated and clear.

Soothing Facial

Instantly cool and soothe irritated and compromised skin with unique ingredients high in nutrients to reduce inflammation while repairing and rejuvenating your skin.

Bliss on the Bay

Our Signature Treatment incorporating a body polish infused with lavender to deeply relax and replenish. This luxurious scrub will be followed by a hydrating cocoon wrap, warm oil scalp massage and back of body massage.

REJUVENATING WELLNESS

Results driven with specific techniques and ingredients. These treatments will make you feel refreshed and your skin revitalized.

De-Stress Massage

Profound purification through deep massage work and the utilization of mineral mud. Combined with warm towels, this treatment will assist in the detoxification of stress and impurities.

Warm Herbal Compress Massage

Herbal compresses are locally crafted with wild and organic herbs. The heated compresses are rolled directly onto the body in an orchestrated and rhythmic signature treatment. Compresses are yours to take home.

Aroma-Soul Massage

A unique massage resulting in a profound sense of grounding. A complete sensorial journey derived from various cultural disciplines, this treatment will provide enhanced vitality and a true sense of restoration.

Rejuvenating Oxygen Facial

The cooling and calming effects of oxygen under light pressure increase the absorption of select serums to promote hydration, firming and plumping for immediate results.

Defense Facial

The antidote to the urban lifestyle. Stressed and dull skin resulting from today's fast paced life will be corrected and the aging of the skin, slowed. Unique massage creates a true escape from the every day.

Wrinkle Repair Facial

Infuse your skin with intelligent ingredients that will stimulate new cell growth, repair and rejuvenate all skin types, leaving a firm, luminous glow.

Detox Body Peel

Combined benefits of a full body exfoliating alpha hydroxy peel and De-Stress Mud. A comforting wrap envelopes you and removes all the obstacles to your better self.
