PARK CITY, UTAH – The annual Best of State Awards have been announced and Destination Hotels Utah, LLC (DHU) is honored to have been named to the 2018 Best of State in the *Hospitality Services* category in the Hospitality, Travel and Tourism category.

Utah's Best of State Awards were created to recognize outstanding individuals, organizations and businesses in the state. This was the third Best of State award for DHU, including a second award for Newpark Resort (winning the best *Vacation Resort*). These awards acknowledge achievement in the Hospitality, Travel and Tourism section, innovation and creativity, and contribution to the overall quality of life Utah offers.

"It's an incredible achievement to be recognized among our Utah peers for delivering exceptional customer service to our customers and clients – travelers, associations, board members, owners, landlords and tenants," says Chris Retzer, Managing Director. "When you choose to partner with DHU, you are choosing to align with a local expert that can leverage one of the industry's leading hospitality and management companies, with over 40 years' history and an unrivaled collection of properties, people and experiences."

"As a hospitality services provider, DHU relies heavily on its team members. With more than 80 associates, we have to believe in our talented, dynamic and passionate team members." Retzer continued, "They can transform a simple moment, an entire vacation, or beyond, through genuine, heartfelt interactions with others. We celebrate individuality because we believe that is what defines every team member, guest, owner and partner. We know that we're stronger together, that our unique personalities and company culture create meaningful connections with our guests."
