Need a Vacation? 115 Best Places to Travel for a Quick Weekend Getaway

Get the girls together, pack up the family or surprise your partner—it's time to plan a **weekend getaway**! If your vacation days are running low or your social calendar is consuming your life, it might be time for you to consider taking a weekend getaway near you. Weekend **getaways** can help you take a break from your busy life, and relax without having to put too much planning or thought into a full-blown **vacation**.

But where to go for a weekend getaway? What to pack for a weekend getaway? And how to even plan a weekend getaway? No worries—throughout the United States, there are tons of destinations that you probably never knew existed, or were doable for a weekend trip. There are many places to travel within the states, but also some places in Mexico, Canada and the Caribbean that are easily accessible for a weekend and give you the feeling of a true vacation getaway.

If you don't have time to cross state lines, try exploring a new city or town near you and doing a staycation. Exploring a new part of town, visiting a museum you haven't seen before, trying a new restaurant or sleeping in a bed other than your own can give you the escape that you've been missing.

Check out our gallery of **115 best weekend getaways** to see your options!

Cape Cod, Massachusetts

When you think of Cape Cod, think beautiful beaches, charming villages and delicious seafood. For beachgoers, the cape is paradise, with its sandy dunes and miles of pristine beaches.

Visitors can also hike along the trails of the **Cape Cod National Seashore**, climb the dunes in Provincetown or stroll local main streets for unique shops.

If you want to stay centrally located, book your weekend at one of New England's top resorts, [Ocean Edge Resort & Golf Club](#).
