The side porch is very comfortable for up to 20 guests. Use of the locker room facilities are only permitted if spa services are being received.

Client understands that there may be other events and spa guests in the spa at the same time as the client's event. Early access to the side porch to drop off personal items, gowns or decorations must be pre-arranged with the spa. Decorating material cannot be pinned or taped to walls, ceilings or trim.

The side porch must be vacated promptly on schedule. A \$500 extension fee will be automatically applied to the client's rental contract without limiting any other rights or remedies available to The Beach House Spa under this contract or at law.

A 20% surcharge will be added to your final bill for all services rendered.
