SECURING YOUR WEDDING DATE & VENUE

Upon receipt of your initial inquiry, our Special Events Sales Manager will prepare a customized estimate based on your wedding venue and date of preference and schedule a follow-up phone consultation to answer all your questions. Your personalized tour and consultation will then be scheduled. We have availability Tuesday through Saturday from 10:00am until 4:00pm daily. Consultations are based upon availability and are strongly recommended to secure a minimum of two weeks in advance of your desired date of visit.

Upon selection of your wedding date and venue, your Special Events Sales Manager will prepare your Wedding Agreement in anticipation of securing your event. To confirm your date on a definite basis, the Inn requires the signed Agreement and initial deposit within ten (10) business days, along with a minimum of a 25% non-refundable and non-date transferable deposit is required to confirm your wedding date. Your deposit schedule will be based on a percentage of the total estimated amount of your festivities which includes but may not be limited to; the ceremony site fee, facility fees, number of guests/food & beverage minimum (whichever is greater), taxable service charge and sales tax.

The secondary deposit representing fifty percent (50%) of the estimated expenditure is to be paid one hundred and twenty (120) days prior to your event. The third deposit will be an additional twenty-five percent (25%) which will be due thirty (30) days prior to your event. The final estimated payment for all charges to your Master Account will be made two (2) weeks prior to your event.

The above payment schedule is subject to the time of booking and your event date and therefore your Special Events Sales Manager may adjust payment schedules accordingly. Please note, a credit card is required to be kept on file for all Catered Events. The Ojai Valley Inn is unable to accept payment by checks for your final deposit (2 weeks prior to your event).

Once your wedding date and venue have been secured via the Wedding Agreement and initial deposit, all of your details will then be given to one of our Service Managers who will partner with you and your Wedding Coordinator on all the planning details.

FOOD & BEVERAGE MINIMUM AND AVERAGE COST PER GUEST

The Food & Beverage minimum is the least amount of money that you will be required to spend in a combination of food and beverage, excluding taxable service charge, site fees and tax. The food and beverage minimum is dependent on the venue you have selected and amount of guests you are anticipating.

Please keep in mind that the food and beverage minimum is not all you can anticipate to spend for wedding celebrations. The food and beverage minimum is reached by selecting individually priced, a la carte menu items to equal or exceed the required dollar figure depending on your anticipated guest attendance. The following are examples of items that would apply toward the food & beverage minimum: tray passed hors d'oeuvres, plated or buffet meals, table side wine service, hosted bar service, champagne, wedding cake cutting fee and non-alcoholic beverages.

Upgraded linens, china, silverware, specialty lighting, tenting, kitchen build out rentals, decor, bartender and/or chef fees, and guest room accommodations, or any resort or restaurant dining activities do not contribute towards the food & beverage minimum.

Based on current banquet menus, on average you may expect to spend approximately \$100-\$150 per guest for lunch and \$250-\$300 per guest for dinner exclusive of taxable service charge, tax, facility and site fees. Please be aware that our menu items and prices are subject to change and your final expenditure will depend on your final guest attendance, menu selections and food & beverage financial commitment.

WEDDING GUEST ROOMS

CONTRACTED BLOCKS

For weddings, a minimum of 40+ rooms per evening, for a two night minimum on weekends, (three night minimum for holiday weekends) is required. We are pleased to extend a special wedding rate for our couples. Your contracted guest room rate and number of rooms established is guaranteed until approximately 30 days prior to your wedding date or until your block is full. Wedding rates are determined by your wedding date and resort availability.

celebration guidelines

The Ojai Valley Inn offers special rates and accommodations for the bride and groom, and their parents. Please inquire with your Special Events Sales Manager.

****Please note, due to the busy nature of our Destination Five Diamond Resort, The Ojai Valley Inn requires all of our wedding couples and families to contract a guest room block in conjunction with your Wedding Agreement to ensure preferred rates and availability. Please note, once the Wedding blocks are full, additional guest rooms will be based on availability and the preferred rate may no longer be extended. It is not unusual for the resort to become fully committed well in advance of wedding dates. Please speak with your Special Events Sales Manager for further details.**

IN-ROOM WELCOME GIFTS

The Ojai Valley Inn is pleased to deliver gift bags or welcome gifts to your guests' rooms. A three week minimum notice is required and a \$4 per delivery, per room fee applies or \$5 each for personalized items. WEDDING CAKES

The Ojai Valley Inn does not produce wedding cakes. Please reference our Wedding Vendor List for a list of our preferred Wedding Cake Vendors. A cake cutting fee will apply of \$7.00 per guest exclusive of service charge & tax. Cake cutting fees do contribute towards the food & beverage minimum requirement.
