H Hotel to Debut New Mid-Century Modern Inspired American Tavern

New Restaurant to Celebrate the History of Midland

MIDLAND, MICHIGAN, September 2, 2019 – The H Hotel, a Dolce Hotel, today announced the creation of a new and exciting restaurant concept scheduled to open in Downtown Midland in the early 2020. The yet-to-be-named restaurant will welcome the local community with a modern, mid-century inspired ambiance; hand-crafted cocktails, local seasonal menu and new indoor and outdoor spaces fit for everything from date-night dinners and family outings to group dining and celebratory events.

“The restaurant pays homage to the history of mid-century modernism in Midland in a setting that inspires connectivity with friends, colleagues and the community,” said Derek Grimaldi, General Manager of The H Hotel. “This fresh new concept along with the reimagination of the H’s courtyard reinforces our commitment to the continued growth of downtown Midland and the Great Lakes Bay Region.”

With seating for 110, the space will feature a new eat-in bar, two private dining rooms and a 40-seat outdoor patio in the courtyard. Designed as a gathering place on Main St for locals and travelers alike the restaurant menu features American comfort food with dishes that are recognizable, imaginative, approachable and designed with the entire region in mind. Handmade cocktails, craft beer, a robust wine program along with a balanced menu of traditional favorites and new offerings form the basis of this energetic addition to the downtown landscape. In addition, the new restaurant is expected to create an additional 25 jobs in the region.

Located on the corner of Ashman and Main, the restaurant will take over the space currently occupied by the Table Restaurant which is scheduled to close on September 22nd.
