## O'Reilly Hospitality Management, LLC continues Eco-friendly initiatives with Solar Panels

SPRINGFIELD, Mo – May 2019 – O'Reilly Hospitality Management, LLC, a leading hotel and restaurant development and management group, recently expanded their eco-friendly initiatives by implementing solar panels at their corporate office located in Springfield, Mo.

O'Reilly Hospitality Management's commitment to the environment and a sustainable hospitality industry is maintained through each property's designated Green Team. These teams ensure that they continue their sustainable practices while developing new ideas for a strong future of sustainability. Originating from the CEO, Tim O'Reilly's lifelong passion and pursuit of environmentally and socially responsible business, green practices are part of the DNA of O'Reilly Hospitality Management.

"Our company is dedicated to addressing the horrific problem of global climate change as aggressively as possible at all of our hotels, restaurants, retail and entertainment venues. It only follows that we would add sustainable solar power at the "Hub", which is our OHM headquarters. We hope this is an example, locally and in our industry, that others will follow." Said, Tim O'Reilly, CEO of O'Reilly Hospitality Management, LLC.
