

ART+FOOD+LOVE

Art. Food. Love. It's what brings people together around the world, but especially in San Francisco. Park Central bridges these experiences and offers a fresh perspective on the city. Whether visiting for business or leisure (or a little bit of both), the hotel is ideally situated in the cultural heart of downtown, walking distance from Union Square, Oracle Park, the Financial District and Embarcadero, Chinatown, the Mission, and more. Gather for a green meeting at the Moscone Center, savor the flavors of the Ferry Building Marketplace, or immerse yourself in the contemporary arts at Yerba Buena Gardens and SFMOMA.

With eye-opening expansive views as your backdrop, spacious accommodations and a wide selection of room configurations make it comfortable to reconnect. High Speed Wi-Fi throughout the hotel ensures you never lose touch. Meet up for a breakfast meeting at the highly regarded MaSo, or sip a craft brew or locally roasted coffee at our contemporary bar & lounge. Communal workspaces featuring works by Bay Area artists plus complimentary beer tastings weekly make our lobby an inviting home office for the day.

Beyond what most tourists see of San Francisco, Park Central's exceptional guest services team connects travelers to a curated selection of insider experiences. See the city in a new light by engaging with the SF arts scene, discovering culinary delights, or exploring sports and cultural opportunities at the Chase Center. No matter what brings you here, or what you're passionate about, there are always new experiences to be had.
