Welcome

The Evergreen (Chakra Reflexology) – 45 min \$90

"A timeless or perennial story."

Chakras are the seven energy centers in the body that, when balanced, prevent harmful or negative energy from entering. Using essential oils, our skilled practitioners focus on specific areas of the feet that correspond to each chakra center, allowing them to be opened and activated. Perfect for anyone going through a life transition, this service integrates the spirit and physical body, and encourages wholeness within the self.

The Baseline (Press Signature Massage) – 75 min \$135

"The line on which the bases of capital letters sit."

Your body is your baseline. Keep it balanced and melt tension away with this luxurious and relaxing full-body massage. Includes our signature essential oil blend of lavender, sweet orange and rosemary.

The Letterpress (Press Deep Tissue Massage) – 75 min \$145

"A relief printing process in which a raised image is inked to produce an impression; the impression is then transferred by placing paper against image and applying pressure."

Let us create a lasting impression with this highly therapeutic full-body massage aimed to alleviate aches, chronic pain, and deep tension.

The Hot Off the Press (Press Hot Stone Massage) – 75 min \$175

"Newly printed; sensational and exciting."

Himalayan sea salt hot stones penetrate deep into tight muscles, allowing for our skilled practitioners to rework your body with the restorative help of heat. Leave feeling brand new and sensational!

The High-Resolution (Press Signature Facial) – 75 min \$135

“The measurement used in typesetting to express quality of output. Measured in dots per inch, the greater the number of dots, the smoother and cleaner appearance the character/image will have.”

Cleanse, tone, exfoliate, and moisturize your skin in this custom-tailored facial. Detoxifying Himalayan sea salt stones will open pores, and essential oils will leave you glowing and ready for your close-up!

The Loose Leaf (Press Microderm Facial) – 75 min \$175

“A method of binding which allows the insertion and removal of pages for continuous updating.”

Excellent for skin resurfacing, this facial buffs away dead skin cells, reveals youthful skin, and improves the appearance of fine lines and dark spots. Start with a microdermabrasion session that will whisk away dead skin, and finish with a calming chamomile leaf masque and essential oil massage for neck, arms, and décolletage.

The Exclusive (Press Pelleve Facial) – 75 min \$500

“A story printed by only one paper; a scoop.”

Improve the elasticity of your skin with this highly exclusive facial! Pelleve tightens, tones, and firms your skin using radio frequency technology. Stimulate collagen production to reduce the appearance of fine lines on your face and sagging under the chin and neck.

The Watermark (Press Illuminize Peel) – 30 min \$140

“An impression incorporated in the paper making process showing the name of the paper and/or the company logo.”

A beautiful watermark is often difficult to see at first glance. Reduce the appearance of wrinkles, sun damage, and hyperpigmentation with the Akari Illuminize Peel. Includes a hand and arm massage, and calming masque. No downtime and no visible healing—just beautiful, clear skin!

Revisions (Wax, Shape and Tint) – \$50

“Alterations to something already written or printed, in order to correct, improve, or update.”

The brows say it all, so don't forget to pamper them too! Our all-in-one brow shape, wax and tint will leave you with a new defining feature.

The Retouch (Mani / Pedi) – Manicure \$40 / Pedicure \$80

“A means of altering artwork or color separations to correct faults or enhance the image.”

A full-service mani/pedi, heavy on the massage! Choose from a wide array of the latest colors to enhance your nails to their most polished potential!

The Dye Transfer (Mani / Pedi) – Manicure - \$55 / Pedicure - \$95

“A photographic color print using special coated papers to produce a full color image.”

The longer-lasting alternative to standard nail polish, shellac polishes have a very short dry time and leave a high-gloss, chip-resistant finish. Ideal for brittle nails!

The Overlay (Acrylic) – Full Set - \$95 / Fills - \$55

“A transparent sheet used in the preparation of multi-color artwork showing the color breakdown.”

Have you been longing for high-fashion nails? Our talented nail technicians can deliver any shape, length, and style. As for nail art, we've got you covered from conservative to outrageously artistic and avant-garde.

The Airbrush (Shampoo/Blowdry) – \$55

“Pen-shaped tool that sprays a fine mist of ink or paint to retouch photos and create smooth-toned illustrations.”

Plain and simple, this is your perfect blowout. Enjoy a relaxing scalp massage during your shampoo. Our stylists can create looks that run the gamut from high-volume to super sleek and straight. Whatever you decide on, we guarantee you won't be able to keep yourself from giving a sassy hair flip when we are done!

The Golden Ratio (Event Hair/Updo) – \$200

“The rule devised to give proportions of height to width when laying out text and illustrations to produce the most optically pleasing result.”

Whether you have a special event to go to, or just simply want to add some drama to your look, Akari's stylists have a special place in their hearts for event hair and updos. Bring us your ideas and inspirations, and we will create a style that is uniquely and beautifully you!
