GOLF & SPA RESORTS

PUEBLO BONITO RESORTS OFFER ONE-OF-A-KIND EXPERIENCES
Catch-your-own dinners, beachfront beds, Top 100 Golf are just the beginning

Los Cabos, Mexico (July 12, 2018) – From beds on the beach to fireside clam roasts, tequila tastings to teeing it up on one of the world’s most spectacular golf courses, Pueblo Bonito Resorts in Los Cabos, notably the Pacifica and Sunset Beach properties, offer something for everyone—and unique indulgences that may only be found here.

Whether you want to eat, drink, laze on the beach, hook your own dinner, play golf, or do all that and more, Pueblo Bonito Resorts can accommodate your every desire in a way no other properties at the tip of the Baja Peninsula can. Here are but a few of the “only here” experiences.

Hook & Cook

This culinary adventure allows resort guests to catch fresh seafood by surfcasting from the beach into the fertile waters of the Sea of Cortez, then craft their own *mesa de ceviches*—the resort’s signature dish. Along with the “custom” meal, the ceviche bar includes an array of seafood with house-made add-ons such as smoked salsas, beet ink, infused oils, and emulsions.

Private Beach Bed Experience

There’s no better way to luxuriate on a Los Cabos beach than on a private, curtained bed. Guests soak up the sun as they read, dream, and find other ways to unwind. Complete with a dedicated Towers at Pacifica butler to tend to any and all needs—delivering gourmet food, refreshing beverages, sunscreen, and more—all the stresses of daily life blow away on the breezes.

Beachfront Clam Roast

On the glorious stretch of beach at Pueblo Bonito Pacifica, just steps away from the Pacific, the chef bakes clams beneath the sandy turf using dry bushes, wood, iron, and stone. After the clams are roasted to perfection, guests can choose from a variety of garnishes and enjoy fresh vegetables, cold meats, and cheeses along with local roots and succulent cacti.

Mezcal and Tequila Tasting

Mexico is the home of tequila and mezcal, and what better way to explore the endless varieties than a guided tasting. Guests are led through sips of premium mezcals or tequilas and handcrafted cocktails as an expert mixologist explains the flavor profiles and background of each spirit. For a deeper dive into the local libations, private mixology sessions are available to teach guests how to make their own concoctions using premium spirits and native ingredients.

Jack Nicklaus's Mexico Masterpiece

Quivira Golf Club, which has landed on *Golf Digest's* "World's 100 Greatest Golf Courses" elite list, scales the heights at Land's End and offers more oceanfront exposure than any course in Los Cabos. Mr. Nicklaus himself says he has designed no other course quite like the four-year-old Quivira and traveling golfers (and *Golf Digest* panelists) wholeheartedly agree.
