At the tip of the Baja Peninsula where the Pacific Ocean and Sea of Cortez meet is an exclusive community known as [Quivira Los Cabos](#). Within the gates of this secluded area is a luxury property known as [Pueblo Bonito Pacifica Golf and Spa Resort and The Towers at Pacifica](#).

The natural beauty of the area makes an impression on you instantly. The glorious desert landscape with vibrant colored flowers and cacti, the rugged mountains and shimmery shades of blue water that welcome you to Cabo San Lucas.

Pueblo Bonito Pacifica, Los Cabos

1. A Resort within a Resort

Pueblo Bonito Pacifica Golf and Spa Resort is on a two and a half mile stretch of pure white beach on the Pacific Ocean. A retreat that defines peacefulness and tranquility. Within the property is The Towers at Pacifica, best described as a luxury resort within a resort. It is an Adults Only property with a level of sophistication that includes 47 modern designed guest rooms and suites with private terraces and six private plunge pools as well as a 3,200 square foot Presidential Suite.

Built with a mission to provide the utmost rest and relaxation, your every need is attended too by a staff of butlers trained by the British Butlers Institute.

2. Your Butler

From the moment you enter the resort gates, your VIP check-in is seamlessly managed and you are escorted to your home away from home. In fact, prior to arrival, your butler will reach out to learn about preferences you have for the type of pillows, beverages, foods (allergies, snacks), and activities he can assist you with. He will handle any dinner reservations, golf tee times or special occasion celebrations you would like arranged. When you need him, he is just a text or call away.

One of the many benefits of being a guest of The Towers at Pacifica is the Whale Watching VIP Lounge. Located closest to the beach, you will have the advantage of pure comfort while watching the waves rolling onto the sand. Here you can enjoy meals or snacks along with top shelf cocktails while unwinding on the sundeck.

3. For Golfers: A Tee with a View

The Quivira Golf Club is a Jack Nicklaus Signature Golf Course with views of the Pacific Ocean from every hole. From the desert landscape to the huge windswept dunes to the sheer granite cliffs, this course offers a world-class layout that will challenge any player. It's important to note that this club is an exclusive amenity for owners and guests of [Quivira Los Cabos](#) and Pueblo Bonito Oceanfront Resorts and Spas.

4. All in the Pueblo Bonito Family

With five resort properties across Los Cabos, each has their own ambience and amenities. Selecting the all inclusive pass as a guest of The Towers at Pacifica gives you the opportunity to explore the other locations to give you a taste of what can be found at Pueblo Bonito resorts. Easily accessible shuttle services will whisk you to the location of your choosing. Whether you decide to have breakfast at Palomas Restaurant at Pueblo Bonito Los Cabos, fine dining at award winning LaFrida at Pueblo Bonito Sunset or sushi at Pescados at Pueblo Bonito Pacifica, the choice is yours.

LaFrida Traditional "Mole de Olla" Sea Bass

Some time to explore The Market at Quivira at Sunset Beach is a must at some point in your trip. Inspired by the food halls of Europe, you will find more than 10 dining venues all in one spot that offer Mexican, Italian and health focused menus along with ice cream, coffee, sandwiches and more to tempt your palate.

5. Resting and Relaxing

Whether on the beach, at the pool or in the spa, any tension you came to Cabo San Lucas with will dissipate once you see the beauty of this resort. There are multiple swimming pools that just beckon you to jump in and enjoy. Swim up to Aquabar Aire in the main pool with bartenders ready to make your favorite tropical drink or sit by the infinity edge where you can dip your toes in the cool water while you relish in the warmth of the sun.

Or if the beach is your vacation goal, ask your butler to reserve a cabana just steps from the water's edge. Truth be told, you don't have to leave it all day as your friendly servers will bring you anything you need. Just grab your book, listen to the waves, take a sip of that drink and relax.

If stretching and sun salutations are your go-to method of relaxation, then start your day with yoga on the beach.

Tranquility at the Spa

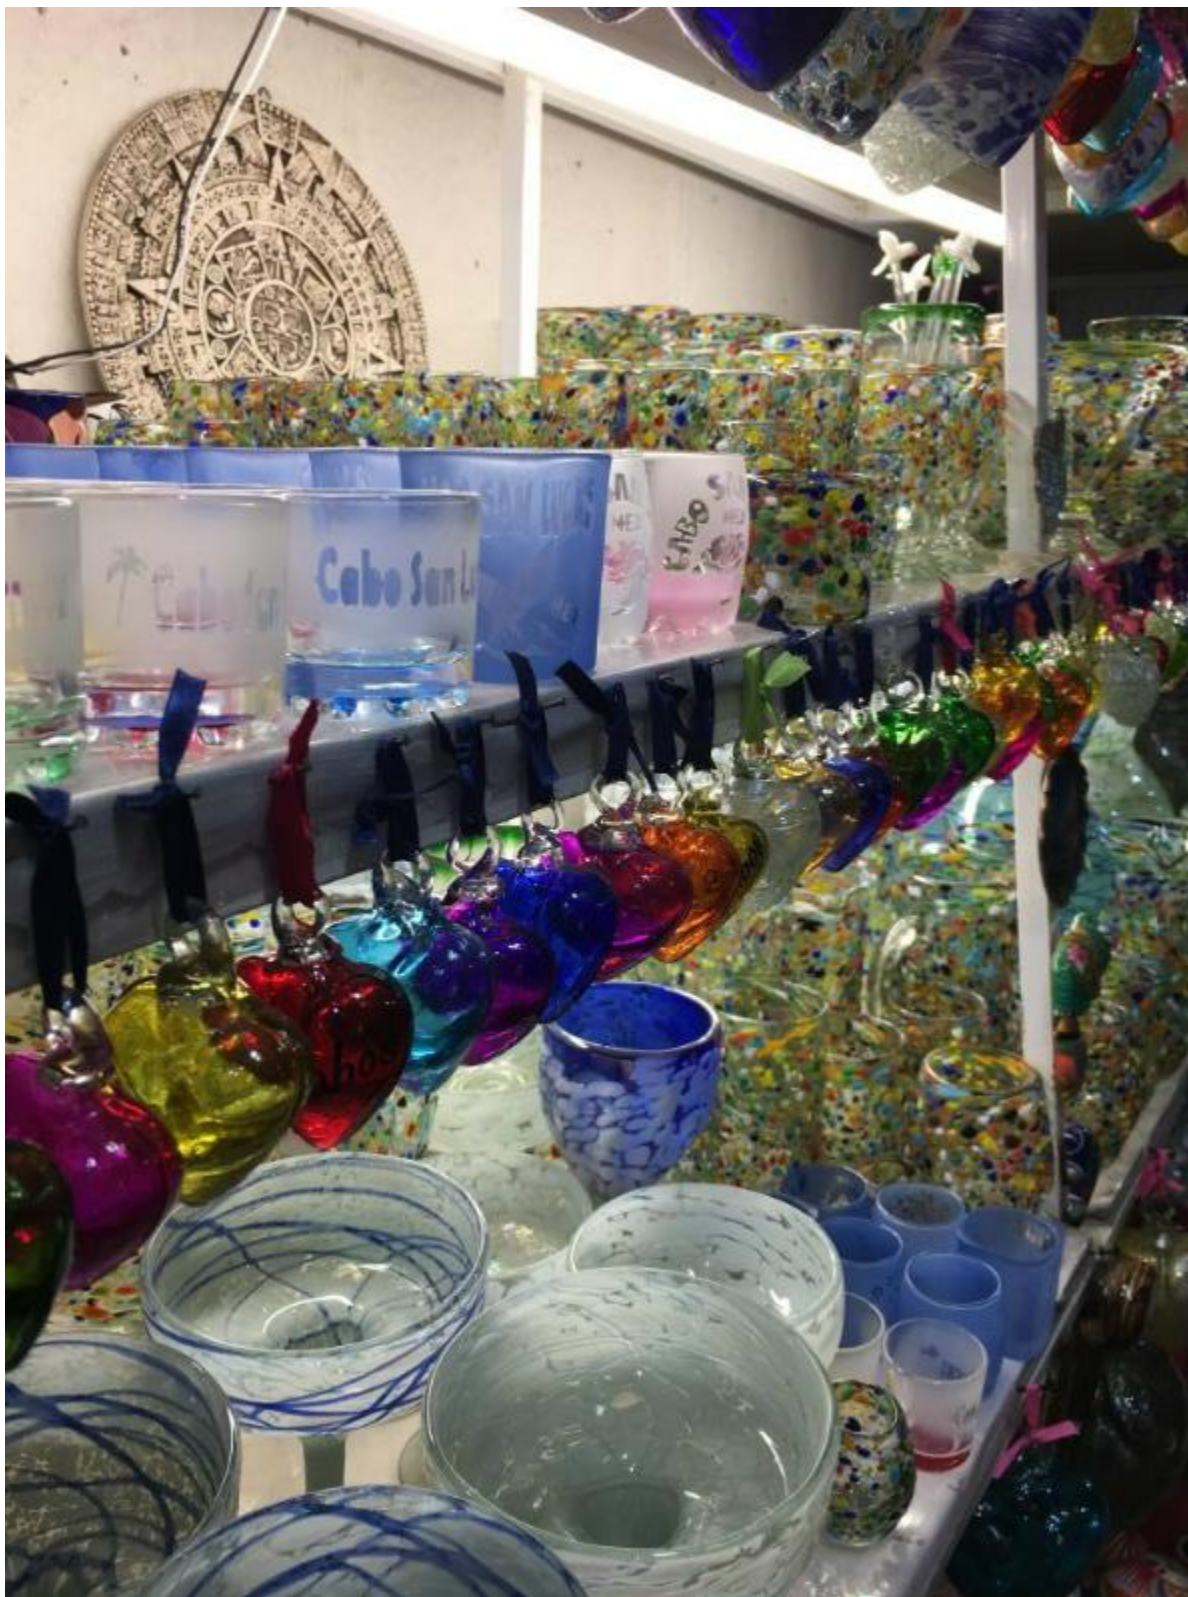

With a mission to promote health, wellness and relaxation, the Armonia Spa has it all. Get pampered from head to toe and finish up with a visit to the beauty salon. Named among the three “Best Spas in Mexico and Central America” in 2013 by Conde Nast Traveler magazine.

6. Fun in the City

Just a short 10 minute ride to downtown Cabo San Lucas is where you will find shopping, dining and the marina. Whether you wander the local market filled with Mexican treasures or go indoors to the Los Cabos Luxury Avenue Boutique Mall filled with high-end stores, entertainment abounds.

If spending time on the water is your goal, [Cabo Adventures](#) will welcome you aboard and set sail for some sightseeing.

7. Culinary Adventures at Pueblo Bonito Pacifica

When Chef Aldo tells you that his goal is to exceed his guests' expectations, he is not kidding. With multiple dining venues on the property, the opportunity to taste the best of the Baja Peninsula and Pueblo Bonito Pacifica's culinary team is the mission you want to be on.

With the attention to detail that makes this resort so special, it is no surprise that the food service is outstanding. Beginning with fresh-out-of-the-water seafood, produce grown in organic gardens on the property and the creativity coming from Chef Aldo's kitchen, every dish is flavorful and picturesque.

Restaurant options range from sophisticated at the Peninsula with gourmet dishes that represent Baja cuisine to Siempre with its Mediterranean and Mexican flair to Quivira Steakhouse on the Jack Nicklaus Signature golf course to sushi dishes from Pescados to name a few.

Ceviche

Innovation is beyond the recipe but in the experience. Dining doesn't always mean sitting at a table with a white cloth on it. It could mean your breakfast is happening on the beach after learning how to fish at the "Hook and Cook". Different than most resorts where your prized fish is brought indoors to be prepared. Here, it is grilled right on the beach along with the rest of your meal.

Mixology

Master Sommelier, Antonio Palacios, leads classes focused on wine and tequila tastings for guests interested in learning more about these beverages.

Or a final celebratory dinner on the beach with the most memorable fire pit ever all made out of sand! The main courses are prepared on the grills along with a full buffet of dishes, wines and spirits presented in the most festive style.

8. The People

The reason you will want to come back. Warm. Welcoming. Attention to detail. Anticipating and exceeding your needs. Their goal is simple. They want you to love your experience at Pueblo Bonito Pacifica Resort and Spa so much, you don't want to leave and can't wait to return.
