

QUIVIRA VOTED TO *GOLF DIGEST'S* 'WORLD'S 100 GREATEST GOLF COURSES' LIST
Majestic one-of-a-kind course cracks prestigious international roster

Los Cabos, Mexico (July 12, 2022) -- Quivira Golf Club, the spectacular Jack Nicklaus Signature course etched across a breathtaking Land's End site at the tip of the Baja Peninsula, has claimed a place on Golf Digest's updated 'World's 100 Greatest Golf Courses' roster, a tremendous achievement given the stiff international competition. For decades, *Golf Digest*, the sport's leading publication, has been the most authoritative source for impartial course rankings.

There's more. To accompany its biennial 'World's 100 Greatest Golf Courses' list, *Golf Digest* also published new rankings of 'The Best Golf Courses In Every Country.' To do so, the publication surveyed 1,900+ well-traveled Golf Digest panelists from North America in addition to a panel of 500 golf enthusiasts from around the globe. "The end result is as comprehensive of a country-by-country list as you'll find," the magazine stated, with 206 countries represented. Quivira is ranked No. 3 in Mexico.

Opened to acclaim in 2014, the Jack Nicklaus Signature course at Quivira is recognized as one of the most challenge and memorable resort venues in the hemisphere. Created as an exclusive amenity for guests of Pueblo Bonito Resorts and Quivira Los Cabos residents, this bold risk-reward design, marked by sheer granite cliffs, massive windswept dunes and rolling desert foothills, features exquisite ocean views and dizzying drops from tee to fairway. In a sun-splashed destination renowned for its unique ocean-desert-mountain ecosystem, Quivira offers more oceanfront exposure than any other course in Los Cabos. An unforgettable test from any

set of tees, this 7,019-yard, par-72 tour de force may be the most daring and eclectic course Jack Nicklaus has ever built. Since its debut, Quivira has become a bucket list “must-play” course for golf aficionados from around the world.
