Par: 72

| Course Statistics: | Tees | Yardage |
|---------------------------|-------------|----------------|
| | Black | 7085 |
| | Gold | 6609 |
| | Blue | 6153 |
| | White | 5553 |
| | Red | 4766 |

Description: Built on one of the most stunning settings in the world, at the tip of the Baja Peninsula's sheer granite cliffs, huge windswept dunes and rolling desert foothills 10 minutes from downtown Cabo San Lucas, golf legend Jack Nicklaus designed a course that has redefined the Cabo golf experience.

Created as an exclusive amenity for owners and guests of Quivira Los Cabos, this world-class layout offers dazzling views and breathtaking drops from tee to fairway. In a destination revered for its unique ocean-desert-mountain setting, Quivira offers more oceanfront exposure than any other course in Los Cabos, with views of the ocean from every hole.

Elevation: While the highest point within the Quivira community is close to 700 feet high, the lowest point on the golf course is the 18th green, which is directly on the beach at about 30 feet above sea level. The highest point on the course is 380 feet, on the 15th hole.

One of the most beautiful drives in golf (.7 miles) is taking the cart path from the fourth green to fifth tee, with an elevation change from 50 feet above sea level to 285 feet above sea level.

Grasses: Greens, tees, fairways and rough are Paspalum (TE Platinum)

2-2-2

Walking Policy: Optional

Green Fees: \$233 to \$380, depending on season and time of day

Practice Facilities: Situated beside the clubhouse at Quivira is one of the rarest sights in all of golf: A spacious, double-sided practice facility that parallels the ocean, right on the sandy beach and with the rolling surf a mere wedge shot away from the verdant turfgrass.

- practice bunkers and putting greens
- 18-hole putting course
- Short game practice area
- Taylor-Made rental equipment (hourly access available)

Clubhouse: Complementing the extraordinary golf experience at Quivira is a thatched-roof, multi-story clubhouse conveniently located between the first tee and the 18th green of the golf course. This stylish beachfront clubhouse, roughly the height of a palm tree, sits directly above the sandy shore a short distance from the rolling Pacific surf.

In addition to ample outdoor seating areas oriented to the sea that are shaded by slatted rattan ceilings, the clubhouse contains a golf shop featuring top apparel brands and golf-related merchandise with the Quivira logo.

The top floor of the clubhouse has a private dining room attached to a special event space. These window-walled rooms have spectacular views of the golf course, practice facility and ocean.

Dining: The Steakhouse, located within the clubhouse, has perfectly grilled steaks and other entrees available in a breathtaking seaside setting.

Refreshments are available at the practice facility. In addition, light bites such as breakfast burritos, fresh fruit and regional gourmet specialties are served.

The outdoor seating area at the club's large rectangular bar serves as Quivira's 19th hole. It's the perfect place to recount the round and settle wagers.

Comfort Stations: Behind the tee boxes at the fifth hole where, at 275 feet above the sea with expansive ocean views, the "Cliffs" comfort station awaits with ready-to-go refreshments.

A halfway house situated near the eighth green, called the “*Oasis*,” showcases the culinary talents of the resort’s chefs, with flavorful regional dishes and inventive takes on classic Baja cuisine. In addition, a full bar, including a deluxe tequila bar, features blanco, reposado and anejo tequilas.

Players can refresh themselves a final time at the ‘Cañada’ comfort station, next to the 16th tee, which sits high above the course and marks the layout’s return home.
