

Q LIFE: THE ART OF FINE LIVING AT QUIVIRA LOS CABOS

New lifestyle club fosters memorable experiences with well-rounded lineup of activities

Los Cabos, Mexico (Dec. 11, 2018) – An all-embracing club created exclusively for residents of Quivira Los Cabos, the recently launched Q Life defines a lifestyle that goes far beyond the ownership of a home or condominium at Cabo’s premier residential community. With its synergistic approach and wide array of themed programs, Q Life inspires residents to seek new ways to enjoy a healthy, fulfilling lifestyle, inspiring physical, cultural, social, and intellectual wellness by weaving together nature, individual pursuits, and group well-being.

Situated at the southernmost tip of the Baja Peninsula, a sun-drenched locale known for its extraordinary desert setting at the place where the Sea of Cortez meets the Pacific Ocean, Quivira’s serendipitous location is ideal for the goals and objectives of Q Life.

“The real beauty of Quivira comes from living life at your own pace,” said Taber Anderson, Managing Director of Quivira Los Cabos. “We want people to put down roots and truly enjoy their time here. By celebrating the art of living well, supporting and encouraging local and regional providers, and seeking the company of those who share common values, members can transform minutes into unforgettable moments.”

According to Yessica Rintflaich, Leisure & Experiences Director at Quivira Los Cabos, “The Q Life’s collection of amenities and services make residents feel like they’re part of a vibrant community. It’s really wonderful seeing members make new friends through shared activities.”

Q Life’s six themed Pillars—Healthy Living, Cultural Experiences, Flavors, Quivira Chillin’, Cool Club, and On Four Paws—enable residents to pursue a myriad array of passions and interests.

- Healthy Living provides the tools for relaxation, healthy nutrition, and a physically active lifestyle. Residents enjoy access to the award-winning Armonia Spa Collection at Pueblo Bonito resorts, yoga classes at secluded locations with magnificent scenic views, a state-of-the-art fitness center, plus a full schedule of daily activities, from water aerobics and hiking to power walks and mountain biking on an extensive network of marked trails throughout the community.
