

HOLE BY HOLE DESCRIPTIONS

Situated at the tip of the Baja Peninsula, Quivira Golf Club, routed along sheer cliffs, windswept dunes and desert foothills, is a Jack Nicklaus Signature Golf Course unlike any other.

“This property afforded us a rare opportunity because of its topographic diversity and natural environment,” Nicklaus said. “Our team worked with the canvas Mother Nature provided to create one of the most spectacular courses in the world.”

With full views of the ocean from all 18 holes, Quivira offers more oceanfront exposure than any other course in Los Cabos. The majestic, well-strategized layout, with four tee placements ranging from 7,085 to 4,766 yards (par 72), starts at sea level, scales cliffs more than 275 feet above the surf, spans canyons and arroyos, meanders through dunes and desert, and returns to the sea at the finish.

Unique to itself, Quivira is an aesthetic tour de force that promises an unforgettable golf experience.

| Hole 1 | Par 4 | Black 389 | Gold 378 | Blue 365 | White 334 | Red 261 |
|--------|-------|-----------|----------|----------|-----------|---------|
|--------|-------|-----------|----------|----------|-----------|---------|

This oceanfront par 4 opening hole is a subtle left-to-right dogleg that plays away from the sea, with sandy wastelands and raw desert flanking the entire left side of the fairway. A scalloped bunker defends the right side of the large, gently contoured green.

| Hole 2 | Par 3 | Black 210 | Gold 192 | Blue 178 | White 155 | Red 97 |
|--------|-------|-----------|----------|----------|-----------|--------|
|--------|-------|-----------|----------|----------|-----------|--------|

A stately *cardon* cactus stands sentinel behind the long, narrow green at this slightly uphill par 3. A trio of bunkers defends the front, right and center portions of the putting surface, which tilts from back to front.

| Hole 3 | Par 4 | Black 316 | Gold 275 | Blue 260 | White 240 | Red 220 |
|--------|-------|-----------|----------|----------|-----------|---------|
|--------|-------|-----------|----------|----------|-----------|---------|

A classic short par 4 defined by strategic options. A collection of bunkers pockmarks the very wide fairway. The small, perched, kidney-shaped green is well-defended by bunkers and shrugs off indifferent approach shots.

| Hole 4 | Par 5 | Black 616 | Gold 594 | Blue 531 | White 472 | Red 433 |
|--------|-------|-----------|----------|----------|-----------|---------|
|--------|-------|-----------|----------|----------|-----------|---------|

This S-shaped par 5 reverses direction and heads directly to the ocean. From the back tees, a pond must be carried to reach a slim fairway bounded by a dry arroyo bed on the left and a vast sandy wasteland to the right. In addition to a bunker in the lay-up zone, the front right portion of the skewed green is protected by a deep sand pit.

|---------------|--------------|------------------|-----------------|-----------------|------------------|----------------|
| Hole 5 | Par 4 | Black 310 | Gold 311 | Blue 288 | White 268 | Red 202 |
|---------------|--------------|------------------|-----------------|-----------------|------------------|----------------|

After crossing arroyos and scaling the flank of a mountain, players arrive at this one-of-a-kind oceanfront par 4 situated 275 feet above sea level. The fairway, slanted below a shouldering dune on the right, traces the edge of sheer granite cliffs to the left as it tumbles downhill to a rock-walled, cliff-hanging green 106 feet below the tee. The putting surface is defended to the left by a huge deep bunker.

| | | | | | | |
|---------------|--------------|------------------|-----------------|-----------------|------------------|---------------|
| Hole 6 | Par 3 | Black 180 | Gold 165 | Blue 135 | White 107 | Red 98 |
|---------------|--------------|------------------|-----------------|-----------------|------------------|---------------|

Carved into the base of a massive dune and framed by rocky hills, this breathtaking par 3, one of the most spectacular one-shotters Jack Nicklaus has ever built, is perched on cliffs high above the roiling sea and a secluded beach. Angled into the prevailing wind, the tee shot must find and hold a long narrow green that drops off to a cavernous bunker and oblivion on the left.

| | | | | | | |
|---------------|--------------|------------------|-----------------|-----------------|------------------|----------------|
| Hole 7 | Par 4 | Black 409 | Gold 366 | Blue 345 | White 320 | Red 306 |
|---------------|--------------|------------------|-----------------|-----------------|------------------|----------------|

This open, links-style par 4, its tee boxes set next to the historic old lighthouse at Land's End (it's the oldest standing structure in Cabo San Lucas), is flanked by the ocean on the left and by a long dune ridge dotted with native vegetation to the right. The infinity-edge green is defended to the left by sandy wastelands and a sharp drop-off, with a large bail-out area on the safer right side.

| | | | | | | |
|---------------|--------------|------------------|-----------------|-----------------|------------------|----------------|
| Hole 8 | Par 4 | Black 399 | Gold 377 | Blue 318 | White 306 | Red 245 |
|---------------|--------------|------------------|-----------------|-----------------|------------------|----------------|

With its broad expanse of fairway bellied into a valley between speckled dunes to the right and a native area that buffers the 12th fairway on the left, the broad landing area at this sturdy par 4 narrows as it nears the green. The fairway proceeds uphill to a tiny perched green tucked in a cleft of the dunes. The putting surface, fronted by a cavernous bunker, offers expansive ocean views.

| | | | | | | |
|---------------|--------------|------------------|-----------------|-----------------|------------------|----------------|
| Hole 9 | Par 3 | Black 222 | Gold 201 | Blue 181 | White 171 | Red 159 |
|---------------|--------------|------------------|-----------------|-----------------|------------------|----------------|

This long, testing par 3 transitions from the dunes to rugged, purple-tinged mountains in the interior, with a dense forest of *torote* trees and *cardon* cactus creating a beautiful backdrop to the hole. The expansive green, defended to the right by a large deep bunker, is open in front and will accept a low running shot.

| | | | | | | |
|--------------|---------------|-------------------|------------------|------------------|-------------------|-----------------|
| Front | Par 34 | Black 3051 | Gold 2859 | Blue 2601 | White 2373 | Red 2021 |
|--------------|---------------|-------------------|------------------|------------------|-------------------|-----------------|

| | | | | | | |
|----------------|--------------|------------------|-----------------|-----------------|------------------|----------------|
| Hole 10 | Par 5 | Black 554 | Gold 529 | Blue 499 | White 475 | Red 435 |
|----------------|--------------|------------------|-----------------|-----------------|------------------|----------------|

From a series of elevated tees, this dramatic, hairpin-shaped par 5 drops to a wide fairway with a high dune ridge on the left and sandy wastelands on the right. The fairway, indented by a sandy desert finger and a formal bunker up the left side, narrows near a small, rippled green set at the base of a massive dune.

| | | | | | | |
|----------------|--------------|------------------|-----------------|-----------------|------------------|----------------|
| Hole 11 | Par 4 | Black 375 | Gold 362 | Blue 341 | White 235 | Red 210 |
|----------------|--------------|------------------|-----------------|-----------------|------------------|----------------|

Angled to the east and routed along the top of an impressive dune ridge with the ocean on the right, this short uphill par 4 plays to a split fairway. Beyond a distant target bunker on the left side of the landing area is the Cabo Falso mountain and the operational lighthouse on its summit. The oblong green, with its majestic dune and ocean vistas, is protected by an enormous bunker at the right front portion of the putting surface.

| | | | | | | |
|----------------|--------------|------------------|-----------------|-----------------|------------------|----------------|
| Hole 12 | Par 5 | Black 635 | Gold 595 | Blue 578 | White 520 | Red 482 |
|----------------|--------------|------------------|-----------------|-----------------|------------------|----------------|

The longest hole on the course, this colossal downhill par 5 is a double-dogleg that drops from the top of a dune and zigzags along an island-style fairway bounded on both sides by sand. The green, tucked to the left of the sinuous fairway, is narrow, very deep and bunker-less. From any set of tees, this magnificent par 5 is a three-shot hole.

| | | | | | | |
|----------------|--------------|------------------|-----------------|-----------------|------------------|---------------|
| Hole 13 | Par 3 | Black 148 | Gold 135 | Blue 122 | White 108 | Red 85 |
|----------------|--------------|------------------|-----------------|-----------------|------------------|---------------|

A truly spectacular par 3. The tiny shelf-like green sits atop a massive pinnacle of sculptured granite that rises from the sand and the waves to a height of 105 feet above sea level. There is a small bail-out area to the left of the compact putting surface, but this petite hole calls for a do-or-die shot over an abyss to the most challenging green on the course.

| | | | | | | |
|----------------|--------------|------------------|-----------------|-----------------|------------------|----------------|
| Hole 14 | Par 4 | Black 355 | Gold 310 | Blue 301 | White 294 | Red 244 |
|----------------|--------------|------------------|-----------------|-----------------|------------------|----------------|

This tricky uphill par 4 plays to a bunker-less fairway that doglegs sharply to the right in the landing area to a hidden, peek-a-boo green tucked in the dunes and backdropped by the Cabo Falso mountain. For drives that are not correctly positioned at the far end of the fairway, the second shot to the long, slim green is blind.

| | | | | | | |
|----------------|--------------|------------------|-----------------|-----------------|------------------|----------------|
| Hole 15 | Par 5 | Black 564 | Gold 526 | Blue 496 | White 439 | Red 430 |
|----------------|--------------|------------------|-----------------|-----------------|------------------|----------------|

This grand-scale par 5 plays over a hill toward serrated mountain peaks in the distance. The expansive fairway, dotted with central bunkers, is encased in a vast swath of desert. The fairway, sloped to the left and rimmed on both sides by sand, is the high point of the golf course at 380 feet above the sea. The hole drops to an undulating green framed by desert vegetation and bracketed by deep bunkers.

| | | | | | | |
|----------------|--------------|------------------|-----------------|-----------------|------------------|----------------|
| Hole 16 | Par 4 | Black 493 | Gold 449 | Blue 428 | White 425 | Red 285 |
|----------------|--------------|------------------|-----------------|-----------------|------------------|----------------|

From a series of elevated tees, this majestic hole, offering exalted views of the mountains, beach and sea, plummets nearly 100 feet to a dished-out fairway set in a V-shaped valley. The fairway turns left as it swings past a huge thumb of rock and desert garden in the center of the fairway 100 yards from the green. Tucked below a menacing bunker and rolling mounds is a large oblong green skewed to the line of play.

| | | | | | | |
|----------------|--------------|------------------|-----------------|-----------------|------------------|----------------|
| Hole 17 | Par 4 | Black 416 | Gold 361 | Blue 345 | White 319 | Red 252 |
|----------------|--------------|------------------|-----------------|-----------------|------------------|----------------|

Built in an adjacent corridor to replace the previous 17th hole, this short, beguiling par 4 plays to a broad fairway that sweeps to the right around a vast sandy waste area. The three-tiered putting surface, sunk below two ridges and skewed to the line of play, is 100 feet long and barely 30 feet wide. A pair of spectacles-like bunkers cut into the front ridge defends the semi-blind green.

4-4-4

Hole 18 Par 4 Black 428 Gold 386 Blue 343 White 327 Red 260

This classic links-style closer returns to sea level, its broad, gently undulating fairway framed on the left by an arroyo and to the right by a grove of mesquite trees and low rolling dunes. The fairway, banked slightly from right to left, leads to a large, infinity-edge green that appears to float on the ocean.

Back Par 38 Black 3968 Gold 3653 Blue 3435 White 3085 Red 2683
