

**Quivira Golf Club Receives Golf Digest Editors' Choice Award**  
*Spectacular Jack Nicklaus-designed course wins for a fifth time*

**Los Cabos, Mexico (March 25, 2020)** – Quivira Golf Club, the epic Jack Nicklaus Signature course etched across a breathtaking Land's End site at the tip of the Baja Peninsula, receives a 2020 Golf Digest Editors' Choice Award in the 'Best Mexico & Central America' category. This is the fifth consecutive year the club has been singled out for recognition by the sport's most widely read and respected publication.

"This program now enters its fifth year, and our mission to serve our readers has not wavered," said Max Adler, the magazine's editorial director. "We seek to identify 'The Best Things in Golf,' with an emphasis on lifestyle properties, products and services."

Golf Digest's description of Quivira Golf Club in its online edition sums up the layout's enduring appeal. "At the tip of Baja (California) Sur is the newest of more than a dozen Jack Nicklaus layouts in Mexico, and perhaps his most compelling, with holes along and atop granite cliffs and sand dunes overlooking the Pacific," the report stated. "Several lodging facilities nearby offer access," including Pueblo Bonito Pacifica Golf & Spa Resort, a deluxe all-inclusive, adults-only beachfront property favored by golfers.

Opened to acclaim in 2014, the Jack Nicklaus Signature course at Quivira is recognized as one of the most memorable and challenging resort venues in the hemisphere. Created as an exclusive

amenity for guests of Pueblo Bonito Resorts and the centerpiece of the Quivira Los Cabos residential development, this bold risk-reward design, marked by sheer granite cliffs, massive windswept dunes and rolling desert foothills, features exquisite views and dizzying drops from tee to fairway. In a sun-splashed destination renowned for its unique ocean-desert-mountain ecosystem, Quivira offers more oceanfront exposure than any other course in Los Cabos. An unforgettable test from any set of tees, this 7,085-yard, par-72 tour de force may be the most daring and eclectic course Jack Nicklaus has ever built. Since its debut, Quivira has become a “must-play” for golf aficionados from around the world.
