## LOCAL RULES AND RECOMMENDATIONS

- The “Desert Rule” applies to all native areas. To provide relief for shots hit into the desert, a player may, under penalty of one stroke, drop a ball within two club-lengths of the point where the ball last crossed the turf line. A golfer who elects to play where the ball lies can ground the club and move loose impediments.
- Formal bunkers are easily identified by the availability of rakes. All bunkers and sandy areas without rakes at hand are considered “waste areas” where players can ground the club and remove loose impediments, according to the official rules of the USGA.
- The on-course comfort stations will slow pace of play. Please be considerate of players in preceding groups.
- RESTROOMS LOCATED AT CLUBHOUSE, HOLE 5, HOLE 8/9, HOLE 16.
- Rattlesnakes, other dangerous animals and thorny plants, as well as steep grade cliffs and slippery sand dunes, are part of the environment at Quivira Golf Club. In order to preserve our desert’s natural beauty, players should avoid searching for balls in native areas and invoke the “Desert Rule” as above.

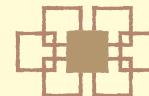

**Players assume responsibility for searches made off the maintained turf.**
