CHAMOMILE

Egypt provides us with the finest chamomile flowers of which we use only flower heads, no extenders. This produces a tisane with definite body. Perfect for winding down on an evening spent away from home, or during a hectic day at the office.

MINT VERBENA

Mint Verbena is an invigorating full-bodied herbal that combines two favorites: caffeine-free mint & lemon verbena. Of course, peppermint is known for its ability to calm a temperamental stomach.

PARIS

Mike Harney has enjoyed many a pot of tea in the famous Paris tea shops. In homage, he created what has become one of their most popular blends, reminiscent of a Parisian favorite. A fruity black tea with vanilla & caramel flavors, it contains a hint of lemony Bergamot.

ORGANIC ENGLISH BREAKFAST

Organic Chinese Black tea from Keemun makes a smooth full-bodied brew of a traditional breakfast blend.

ROOIBOS CHAI

Rooibos Chai brings together caffeine-free rooibos, or 'red bush' herbal from South Africa, with sweet Indian spices of clove, cardamom & cinnamon. The spices impart an earthy touch that will have you welcoming seconds.

JAPANESE SENCHA

This Sencha is a very fine one & can be found in many homes in Tokyo. It is a very approachable green tea & a fine choice for every day.

DECAFFEINATED CEYLON

A quality black tea with the caffeine removed, yet the depth of flavor remains intact.

EARL GREY SUPREME

For the connoisseur we offer Earl Grey Supreme, which contains a higher grade of teas with added Silver Tips. If you love Bergamot & fine tea, this is the blend for you.
