

The health and safety of our guests, associates and community are our highest priority and we continue to closely monitor the news surrounding Coronavirus (COVID-19).

In response to the recent shelter-in-place order issued by multiple San Francisco Bay Area counties in a community effort to contain the spread of COVID-19, we have made the decision to temporarily close the restaurant and Monterey Plaza Hotel & Spa with plans to reopen Wednesday, April 8, 2020.

As the Centers for Disease Control and Prevention and the World Health Organization share more information, we will continue to provide updates on the status of our business.

We look forward to welcoming you back soon.

Sincerely,

Your Schooners Coastal Kitchen & Bar Family
