LABOR

Labor Rates - Technical Operator / Setup & Strike (Per Technician)

Audio/Video operator and setup and strike labor is not included in most packages or a la carté pricing. Please contact Impact for hourly labor rates.

Labor Policy

Impact guarantees on-site assistance by a qualified AV Technicians along with all equipment rentals for the duration of your event. Should you require an AV Technician to remain in-room during your event to operate equipment, you will be billed at the corresponding hourly rate. Outdoor events will be charged setup and strike labor unless noted otherwise. All General Session setup, strike and operator labor will be billed with a 4-hour minimum.
