Welcome to Seven Restaurant,

We have chosen wines for our list with precision and attention to detail; a collective inspiration from winemakers around the world. We hope that they will elicit as much excitement and enthusiasm for you as they do for us.

Our "wines by the glass" selections marked * are served with the Coravin preservation system 

Our Sommelier, Mia Mårtensson, would be delighted to introduce you to something new and exciting.

"Wine is inspired by the cosmos, it tastes of the world itself"

Lalou Bize-Leroy
