7 DAYS A WEEK, INCLUDING HOLIDAYS 8AM – 8PM

COVID RT-PCR SWAB TEST
Results will be provided to you within 24 hours!
\$175 This nasal swab will determine via PCR technology (the CDC Gold Standard) whether you have active COVID-19 infection. This test does meet all travel and regulatory body requirements. CLIA-certified

COVID RAPID ANTIGEN SWAB TEST
Results in 3 to 10 minutes!
\$125 This nasal swab will detect a COVID-19 infection with high sensitivity (93.87%) for fast peace of mind before being around others. This test does not meet travel or pre-procedure testing requirements.

COVID RAPID ANTIBODY FINGERPRICK TEST
Results in 5 to 10 minutes!
\$95 Using a droplet of blood from your finger, this test will determine whether you have developed immunity to the SARS-CoV-2 virus. This test detects both IgM and IgG antibodies.

50% off Antibody test, when purchased with any other test.

Testing Site Location: Shore Hotel (Rear Loading Dock)
1515 Ocean Ave, Santa Monica CA 90401

Enter from 2nd Street or Ocean Avenue. **Do NOT enter hotel lobby!** Follow signs and park in designated COVID parking stall ONLY. Please remain in your vehicle with windows shut.
Call us if you have any questions.
