

**THE TIMES TRAVEL AWARDS 2019
SILVERSANDS GRENADA**

THE PRIZE:

Silversands Grenada, the new contemporary-designed luxury resort on the Caribbean island of Grenada, is offering two lucky prize winners a five-night stay, in partnership with ITC. This luxurious prize is offered on a B&B basis including two dinners, one spa treatment per person, airport transfers to and from hotel and return flights from the UK

Silversands Grenada, which opened on 1 December 2018 on the ivory white sands of Grand Anse beach, has introduced a completely new way for discerning travellers to experience the unspoiled island of Grenada - the 'Spice of the Caribbean.' Sleek and modern in its design unlike anything else in the Caribbean, the all-suite resort and residential project offers a chic luxury experience perfectly befitting the warmth and authenticity of a true Grenadian lifestyle. A new member of The Leading Hotels of the World, Silversands Grenada offers impeccable service, luxury accommodations, exceptional dining, five-star amenities and authentic Grenadian experiences that create a true sense of place for guests. Silversands Grenada is home to 43 suites and a mix of nine Hillside and Beachfront residential villas unobtrusively peppered into the surrounding landscape. The resort is also intersected by an artfully-designed 100-metre outdoor infinity pool, the longest in the Caribbean. Emphasis on community and culture flows throughout, with two distinctive restaurants showcasing the island's abundant agriculture serving the likes of line-caught fish, handpicked herbs, spices and fruit, alongside Grenadian craft beers, rums and wines. Beyond this, Silversands Grenada partners with local tour operators and guides to connect guests with the island's spectacular landscape. From waterfall chasing to some of the most magical scuba dives; exploring historical sites, centuries-old rum distilleries and organic farm tours, the captivating soul of authentic Grenada is at the forefront. Within the resort itself, a rotating art exhibition showcases Grenadian art alongside pieces from the resort owner's personal collection.
