<b>DESCRIPTION</b>	The Dominick Hotel is an independent Five-Diamond hotel and is managed by an affiliate of CIM Group, which through another affiliate owns the majority of the hotel units within the condominium. The Dominick is a member of the Preferred Hotels & Resorts Legend Collection.
<b>ACCOMMODATIONS</b>	The Dominick's 391 residential-style guest rooms – more than a third of which are suites – blend classically-inspired interiors with contemporary New York design, each featuring floor-to-ceiling windows and unrivaled views. The hotel offers 245 king guestrooms; 132 one-bedroom suites—many of which can be combined to create spacious two-bedroom suites; three one-of-a-kind spa suites; and ten spectacular two-bedroom penthouse suites including the duplex penthouse, which provides an expansive terrace granting breathtaking views of Manhattan.

Thoughtfully designed by the Rockwell Group, The Dominick is

the only hotel in New York with custom furnishings by Fendi Casa, including sofas, chairs, headboards, side tables and a beautiful settee at the end of the bed.
