Just steps away from world-class galleries, restaurants, shopping and nightlife, the property boasts unrivaled views of the city's spectacular skyline, the Hudson River, the Statue of Liberty, One World Trade, Brooklyn Bridge, Empire State Building, and its surrounding neighborhoods, including Hudson Square and SoHo. The Dominick is a member of the Preferred Hotels & Resorts Legend Collection.

ACCOMMODATIONS The Dominick's 391 residential-style guest rooms – more than a third of which are suites – blend classically-inspired interiors with contemporary New York design, each featuring floor-to-ceiling windows and unrivaled views. The Dominick offers some of the city's most spacious accommodations with king guestrooms starting at 422 square feet and suites ranging from 682 square feet to more than 2,000 square feet. The hotel offers 245 king guestrooms; 132 one-bedroom suites—many of which can be combined to create spacious two-bedroom suites; three one-of-a-kind spa suites; and ten

spectacular two-bedroom penthouse suites including the duplex penthouse, which provides an expansive terrace granting breathtaking views of Manhattan.

Thoughtfully designed by the Rockwell Group, The Dominick is the only hotel in New York with custom furnishings by Fendi Casa, including sofas, chairs, headboards, side tables and a beautiful settee at the end of the bed. In suites, a sliding hearth features built-in lighting and shelves, creating a separation between the living area and bedroom for guest privacy. Oversized bathrooms are fitted with custom-designed fixtures and hardware, a standalone rain shower, a separate soaking tub, and a vanity wrapped in hand-stitched leather topped with slate-like marble and hand-matched Turkish Marmara stone gracing the walls. With just 12 rooms per floor, the hotel has an intimate ambiance of sophistication and indulgence.

The Dominick's guestrooms and suites feature the innovative Control4 Suite System, allowing guests to easily control in-room lighting and temperature all through the convenience of a bedside console or single remote. Additionally, the rooms include dual-line telephones and wireless high-speed internet access.

SoHi Collection Suites & Penthouses:

These exclusive suites and penthouses are located on the top floors of the hotel offering stunning views of New York City's gorgeous skyline, including landmarks such as the Empire State Building, One World Trade Center, and magnificent sunsets over the Hudson River. FOOD & BEVERAGE

The Vestry:

Opening Fall 2019, The Dominick will debut The Vestry, a new signature restaurant helmed by Michelin-Starred Chef Shaun Hergatt. Designed by Jason Volenec Studio, The Vestry will be a dinner-only restaurant and bar with approximately 80 seats. Inspired by New American cooking, the a la carte menu will feature shareable seasonal dishes infused with global techniques and ingredients. Rooted in long-standing relationships with local foragers, the menu will be largely focused on seafood and vegetable dishes.

Terrace on 7:

The Dominick also features Terrace on 7, an indoor-outdoor sushi bar, restaurant, and lounge, located adjacent to the hotel's seasonal, 6,000 square-foot pool. The interior features an 18-seat Japanese-inspired dining room that is anchored by a communal table. The venue also offers an abundance of outdoor drinking and dining spaces accented by plush seating arrangements and ample greenery, including an offset lounge area with cabanas. The concentrated menu, executed by master sushi chef Nobuhrio Mori (formerly of Hasaki and Nobu), showcases a variety of fresh sashimi, nigiri, tataki, and maki rolls. ***The pool and Terrace on 7 will be closed on weekdays starting in September and will close for the season on September 29, 2019.***

In-room dining is available to guests 24 hours a day. All dining options are available daily. Mezzanine is currently open to guests for breakfast, lunch, and dinner. Café Mezz, located on the mezzanine level and overlooking the lobby, is the perfect place to enjoy a light bite, cup of coffee, or cocktail.

BABOR SPA

The Dominick has teamed up with BABOR, a results-driven skin care brand based in Germany, to open the first BABOR Signature Spa in North America. The space, which debuted in spring 2019 on the seventh floor of the hotel, offers NYC's only luxury Hammam, Chromatherapy Experience Showers, Steam and Sauna facilities, and a Co-Ed Relaxation Lounge featuring detoxing teas from Palais des Thés to accompany the spa journey. Launching Fall 2019, the spa will feature an Inhalation Salt Chamber which will help accelerate skin cell rejuvenation, reduce stress, and aide in a better night's sleep. The 11,000 square-foot spa features nine private treatment and wet rooms, a state-of-the-art fitness center featuring Peloton and Mirror Fitness that feature virtual on-demand interactive fitness classes.

PARTNERSHIP
