ACCOMMODATIONS

The Dominick's 391 residential-style guest rooms – more than a third of which are suites – blend classically-inspired interiors with contemporary New York design, each featuring floor-to-ceiling windows and unrivaled views. The Dominick offers some of the city's most spacious accommodations with king guestrooms starting at 422 square feet and suites ranging from 682 square feet to more than 2,000 square feet. The hotel offers 245 king guestrooms; 132

one-bedroom suites—many of which can be combined to create spacious two-bedroom suites; three one-of-a-kind spa suites; and ten spectacular two-bedroom penthouse suites including the duplex penthouse, which provides an expansive terrace granting breathtaking views of Manhattan.

Thoughtfully designed by the Rockwell Group, The Dominick is the only hotel in New York with custom furnishings by Fendi Casa, including sofas, chairs, headboards, side tables and a beautiful settee at the end of the bed. In suites, a sliding hearth features built-in lighting and shelves, creating a separation between the living area and bedroom for guest privacy. Oversized bathrooms are fitted with custom-designed fixtures and hardware, a standalone rain shower, a separate soaking tub, and a vanity wrapped in hand-stitched leather topped with slate-like marble and hand-matched Turkish Marmara stone gracing the walls. With just 12 rooms per floor, the hotel has an intimate ambiance of sophistication and indulgence.

The Dominick's guestrooms and suites feature the innovative Control4 Suite System, allowing guests to easily control in-room lighting and temperature all through the convenience of a bedside console or single remote. Additionally, the rooms include dual-line telephones and wireless high-speed internet access.

DINING

New to The Dominick with unrivaled views of the city's skyline is Terrace on 7. The indoor-outdoor sushi bar, restaurant and lounge is located adjacent to the hotel's seasonal, 6,000 square-foot pool. The interior features an 18-seat Japanese-inspired dining room that is anchored by a communal table. The venue also offers an abundance of outdoor drinking and dining spaces accented by plush seating arrangements and ample greenery, including an offset lounge area with cabanas.

The concentrated menu, executed by master sushi chef Nobuhrio Mori (formerly of Hasaki and Nobu), showcases a variety of fresh sashimi, nigiri, tataki, and maki rolls. Terrace on 7 also features light and refreshing dishes, including Chilled Green Tea Soba Noodles with dashi and nori; Hon-Shemiji Mushroom Salad with ginger and baby spinach; Charred Ocean Trout with shiso, yuzu and roe; and Hamachi with jalapeno, cilantro, and lime oil.

The beverage program emphasizes Japanese-forward spirits, including Sake, Roku Gin, Toki Whiskey, and Haku Vodka. Seasonal fruit juices and citrus accents add a summery flair to the signature cocktail list, which offers a variety of options ideal for al fresco dining and drinking.

In Fall 2019, The Dominick will debut a new signature restaurant, helmed by a Michelin star chef. The restaurant will be located on the lobby level.

In-room dining is available to guests 24 hours a day. All dining options are available daily. Mezzanine is currently open to guests for breakfast, lunch, and dinner. Café Mezz, located on the mezzanine level and overlooking the lobby, is the perfect place to enjoy a light bite, cup of coffee or cocktail.

BABOR SIGNATURE SPA

The Dominick has teamed up with BABOR, a precision skin care brand based in Germany, to open the first BABOR Signature Spa in North America.
