Due to the COVID-19 Pandemic, the health authorities of St. Lucia have put in place health and safety protocols, such as the adherence to social distancing for children who wish to attend kids club.

- All children are required to undergo a contactless temperature read at the Nurses Station before attending the kids club.
- Facemasks must be worn upon entering the kids club.
- Hands must be sanitized immediately upon entering the kids club.
- If any child has a cough/runny nose, they will be unable to participate in any of the children's club activities.
- Only eight children will be admitted at the kids club at any given time.

We thank you for your patience and hope to create a safe and fun environment for everyone.
