**O**n behalf of all 100 employees here at the Marcus Whitman Hotel—thank you for considering our service and amenities for the production of your next event.

At the Marcus Whitman Hotel, exceeding guest expectations is our standard call of duty. In order to consistently maintain such a high level of service, we've become universally obsessed with attention to detail. What this means is that every element of your event—from food selections to physical infrastructure—will be custom-tailored to create an exceptional event experience.

From the pages of this menu-selection guide, we invite you to begin your event plan with a selection of food from our award-winning kitchen. Everything from classic recipes to more adventurous fare can be found here. Our chefs have worked diligently to prepare a menu of options that combine the best of what's locally in season with premium elements from further afield—like lobsters from Maine, or Wagyu Beef.

Unlike other Walla Walla locations, our customizable packages include tables, chairs, silverware, place setting and linens—and a professionally-trained staff that is fully committed to making your event a success. Additionally, you can enhance your event experience with amenity add-ons such as 700 square feet of wood parquet dance floor, portable cherrywood bars stocked with fine wines and spirits, stage risers, presentation podiums, professional audiovisual equipment, specialty lighting, and both wired and wireless internet access.

Whether you are planning for a handful of guests or a large corporate gathering, the Marcus Whitman Hotel offers space and amenity options to satisfy even the most discerning of tastes.

Thank you again for your business consideration. We look forward to creating an exceptional experience for you and your guests.
