DEAL OF THE WEEK

Cozy San Francisco holidays from \$109

San Francisco is transformed during the holidays, with an ice-skating rink, a two-story gingerbread house and a Winter Walk not far from Union Square. It's also when boutique hotel the Marker at 501 Geary St. puts rooms on sale for as little as \$109 a night.

The deal: You can get 20% off standard prices for one- to three-night stays, 30% off for four or more nights. The promotion, called (Not My) Home for the Holidays, is good for stays through Dec. 30.
