

RESPONSE TO COVID-19

as of 4/8/2021

Subject to change without notice
according to official regulations

The Palms team has been working diligently on revising our standards and policies for each area of our operation, to ensure that a clean, safe, healthy environment is provided for our guests and staff. We have consulted guidelines from local and national health officials as well as industry best practices from around the world in every possible instance. We are confident in our plan and excited to see you soon!

Employee Standards

The following initiatives has been implemented to ensure enhanced health and safety:

Health Checks

- Employees will undergo daily temperature screening.
- Employees who show any signs of illness will be asked to go home.
- Employees are also required to stay home if they have been in contact with anyone who has tested positive for COVID-19 or have been in close contact with somebody who is showing symptoms of COVID-19.

Personal Protection Equipment & Hygiene

- Employees will be provided and required to wear a face mask while on property, except for in administrative offices where employees are working at a safe distance.
- Employees will wear gloves if their responsibilities require them, such as housekeeping, public area attendants, food and beverage handlers, and anyone who may come in direct contact with guests. All employees have been provided training on proper usage and disposal of such items.
- Employees have been trained to wash their hands with soap and water for at least 20 seconds or use alcohol-based hand sanitizer every 60 minutes and immediately after any of the following activities: using the restroom, touching the face, cleaning, sweeping, mopping, smoking, eating, drinking, after removing any personal protective equipment, going on break and before or after starting a shift.
- Hand sanitizing stations have been placed in common areas throughout the resort as well as in employee back-of-house areas such as time clocks, break rooms, and locker rooms.
- Employees have been trained to sanitize their workstation and any shared tools/equipment before, during and after each shift or anytime the equipment is transferred to another employee.

LIFESTYLE™

Preferred
HOTELS & RESORTS

3025 Collins Avenue, Miami Beach, Florida 33140
T 305 534 0505 | 800 550 0505
F 305 534 0515 | thepalmshotel.com

Inspired by Nature

- In our back-of-the-house areas, we are increasing the frequency of cleaning and focusing on high-touch areas like locker rooms, employee cafeteria and administrative offices.

Safe Greeting & Physical Distancing

- We have asked our employees to refrain from physical greeting such as kissing, hand shaking or hugs, and to use noncontact methods of greeting instead.
- Employees have also been asked to practice physical distancing whenever possible.

Requests to Our Guests

An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. According to the CDC, senior citizens and guests with underlying medical conditions are especially vulnerable. By visiting The Palms Hotel & Spa, you voluntarily assume all risks related to exposure to COVID-19.

For the safety of other guests and our employees, please take personal responsibility in following social distancing guidelines during your stay. Please take advantage of the sanitizing stations you will find strategically located around the property, and observe the following requests:

Health Checks

The Palms asks that you please cancel or reschedule your visit if:

- You are experiencing any symptoms of COVID-19 or running a fever. Please seek medical attention and contact us to reschedule your visit. Our cancellation rules have been relaxed, allowing for cancellations 3 days prior to arrival. Any reservation deposits will be refunded if notice is given 3 days prior to check-in date.
- You have been exposed to someone who has tested positive for COVID-19 in the last 14 days, or have been in close contact with somebody who is showing symptoms of COVID-19.

Personal Protection Equipment & Hygiene

- Guests are required to bring and wear facemasks at all times covering the mouth and nose while in public indoor and outdoor areas unless consuming food or beverages.
- Frequent hand washing or hand sanitizing is encouraged. Hand sanitizing stations are provided throughout the public areas.
- Additional facemasks and hand sanitizer are available for purchase from our Gift Shop.

Safe Greeting & Physical Distancing

- We ask that you keep a safe distance at all times when in line or waiting. We have added floor markings and signage in high traffic areas to help with physical distancing.
- Please swipe your own credit card where possible.
- Avoid shaking hands or engaging in any unnecessary physical contact.

Operational Enhancements

The following modified operating procedures have been implemented:

AHLA Safe Stay Member

- The American Hotel & Lodging Association's Safe Stay initiative is an industry-wide, enhanced standard of health and safety protocols designed to prepare America's hotels to safely welcome back guests and employees as the economy reopens. These standards were developed under the guidance of an Advisory Council, comprised of industry leaders representing all segments of the hotel industry, and in conjunction with public health experts to advance best practices for protecting against the coronavirus and are rooted in recommendations from the Centers for Disease Control (CDC).

Arrival Experience

- Our lobby areas have been reconfigured to ensure social distancing.
- All guest touch points will be sanitized after each transaction including EMV Credit Card Devices, pens and registration countertops.
- Plexiglass sneeze guard barriers have been installed at the front desk.
- Room keys will be sanitized before and after each use.
- Luggage assistance is optional and our employees will not enter guest rooms. Instead, we will place your luggage outside your room.
- Valet staff will wear face masks and a clean pair of gloves for each car serviced.

Round-The-Clock Air Purification

- The Palms has installed RGF® Photohydroionization® In-Duct Air Purification Systems to naturally reduce viruses, bacteria and odors for optimal guest and staff safety. The system sends out very low levels of airborne hydrogen peroxide into each room, killing contaminants in the air and on surfaces while being safe for the environment as well as building occupants.

Elevators

- The maximum occupancy of each elevator is four persons (six if from same household).
- Face masks are required inside the elevators.
- Hand sanitizer is available at all elevator landings.
- Elevator button panels are disinfected by an employee at least every hour.
- We ask guests and employees to utilize stairs whenever possible.

Guest Rooms

In order to protect both our guests and Team Members, we will be minimizing the number of frequency of employees entering guest rooms during your stay. Our revised standards and protocols for guest rooms include:

- Daily housekeeping service remains our standard. To opt out of daily housekeeping, please notify the front desk.
- For guests opting out of daily housekeeping service, bed linens will be changed and the room will be cleaned after 3 nights, unless guest denies service.
- Guest laundry and dry-cleaning services will be available using contactless pick-up and delivery protocols.
- Decorative pillows and bed runners have been removed.
- Minibar and snack products have been removed.
- Collateral such as pens, notepads and magazines have been removed.
- Room Service, spa menus and guest directory will be available via Smart TV and on our website.
- After checkout, rooms are sanitized following strict industry cleaning procedures with particular attention paid to disinfecting door handles, hard surface furniture, tables, nightstands, furniture knobs and handles, light switches and thermostats, drapery pull handles, telephone and keypad, remote control, alarm clock, television, safety latch and peephole, trash receptacle, faucet handles, toilet and shower handles.

Our Multi-Step Room Sanitizing Program includes:

- Round-the-clock air purification by means of state-of-the-art hydroxyl air purifiers installed in air-condition unit ducts. These non-chemical, all natural devices provide an environmentally-safe and scientifically-proven solution for destroying 99% of bacteria and viruses, both in air and on surfaces.
- Detailed cleaning with EcoLab disinfecting products approved by the U.S. Environmental Protection Agency (EPA) for use against SARS-CoV-2, the virus that causes COVID-19.
- Rooms are sealed and tagged as sanitized after check-out. Employees will not re-enter guest rooms after deep cleaning.

Pool & Beach

- The pool area and beach setup have been modified to follow social distancing guidelines for those who are not traveling together.
- Chairs, cabanas, and high-touch surfaces will be sanitized after each guest's use, and outdoor showers will be sanitized frequently.
- All food items will be delivered in a beach basket with additional sanitizing steps between guests.
- Hours: sunrise – 8 PM.

Fitness Room

- The fitness room setup has been modified to reflect social distancing guidelines for those who are not traveling together, as well as occupancy guidelines from local authorities.
- Facial coverings must be worn at all times in the Fitness Center.
- Gym equipment will be cleaned and sanitized thoroughly every hour.
- Only 4 guests are allowed in the gym at the same time.
- Equipment availability will be reduced to ensure social distancing guidelines.
- Disinfecting wipes and hand sanitizer are available for guests to use.
- Water fountain is not available as per city regulations.

AVEDA Spa

Safety and sanitation is essential for spas at all times, from preventing infection and improving employee and guests' overall well-being, but more than ever during the COVID-19 pandemic. Revised operating standards and treatment protocols for The Palms AVEDA Spa are drawing from best practices around the world as well as sanitation procedures, laws, licensing requirements or regulations established by local government. We aim to optimize social distancing within each area of the Spa while keeping the overall spa experience as unaffected as possible. At current, this will include:

- **Spa Hours of Operation:**
Monday - Friday 11 am – 6 pm | Saturday – Sunday 10 am – 7 pm
- Services will be offered by appointment only.
- A health screening will be conducted both at time of booking and at arrival.
- The steam room is currently unavailable.
- Additional outdoor services will be available.
- Spa treatments will have 30 minutes in between each service to allow sanitation of the room. We will have a limited amount of staff working at a time and will be staggering appointments.
- All guests must wear an ear loop mask (not tied behind your head) while in the spa/salon and throughout your appointment. One will be offered if you do not have one.
- All staff are required to wear masks and gloves unless it interferes with the service they are providing. Otherwise, frequent hand washing is required.

- No food and beverages will be served.
- Air and surface sanitization by use of hydroxyl air purifiers have been installed in all treatment areas.
- Our entire staff has completed the Barbicide COVID-19 Certification and will be adhering to all extra sanitation and disinfection standards.
- Sneeze guard barriers have been installed for our manicure stations and spa front desk.

Food & Beverage

Essensia Restaurant & Bar

- Breakfast: 7am-11am daily
- Lunch: 11 am – 3 pm daily
- Dinner: 6 pm-10 pm daily
- Bar: 4 pm-10 pm daily

Revised standards and protocols for the restaurant and bar include:

- Reservations are encouraged to expedite seating.
- Restaurant and outdoor lounge setup have been modified to add ample space by a distance of at least six feet in between each seated party and reflecting total occupancy guidelines from local authorities.
- Dining tables and chairs will be sanitized before and after each use. Check presenters, pens and all other reusable guest contact items will be either sanitized after each use or single use.
- Host/Hostess podiums, service stations, service carts, beverage stations, counters, handrails and trays will be sanitized at least once per hour.
- A sneeze guard barrier has been installed at the hostess podium.

Tiki Bar & Grill

- Open from 11am to 7 pm.
- All food items will be delivered in a beach basket with additional sanitizing steps between guests.

In-Room Dining

- Available 7 am -10 pm
- In-room dining items will be served on trays, covered, and handed to guest when delivering.
- Guests will be asked to notify In-Room Dining when finished with their meal and place the to-go bags/containers in the hallway outside of their room.

Gift Shop & Deli Counter

- Open 6:30 am to 6 pm
- To-go bakeries and deli items available. Menus include alcoholic items.
- Surfaces will be sanitized after every guest interaction including the POS terminal, credit card reader, or pens used to sign.
- Layout has been modified to avoid crowding and facilitate a one-way flow with single entry.

Meeting and Event Spaces

- Meeting and banquet set-up arrangements will allow for physical distancing between guests in all meetings and events based on CDC4 and state recommendations
- Self-serve buffet-style food service will be suspended and replaced by alternative service styles.
- All equipment and meeting amenities will be disinfected before and after each use or be single use if not able to be sanitized.
- All linen, including underlays will be replaced after each use
- Banquets will follow restaurant social distancing and dining standards as outlined by local authorities. In Phase II of Miami-Dade reopening protocols, events are limited to 50 persons.
- All meeting and banquet set ups will allow for physical distancing between guests.
- After every event, the event spaces will be cleaned and disinfected.
