## MEETING SOLUTIONS & SAFETY PROCEDURES

305.854.0980

[GEAudioVisual.com](http://GEAudioVisual.com)

### MEETING SOLUTIONS

Due to Social Distancing requirements, GE Audio Visual and The Palms Hotel & Spa will work together with clients in the planning stages to provide proper recommendations and customized hybrid AV meeting solutions following appropriate government rules and mandates.

GE Audio Visual is prepared to provide custom solutions for the following scenarios:

1. AV equipment services in One Meeting Room (with or without webstreaming)
2. AV equipment services in Multiple Meeting Rooms (with or without webstreaming) in same meeting venue.
3. AV equipment services in Multiple Meeting rooms at multiple venues/locations (to include webstreaming)

**Please contact GE Audio Visual for a detailed, custom quote based on your group's requirements.**

### CLEANING & SAFETY PROCEDURES

Due to Covid-19, GE Audio Visual will ensure the implementation of proper cleanliness procedures and technical staff's use of PPE equipment such as masks and gloves.

High Touch Surfaces that will be cleaned with 70% concentration or higher Isopropyl Alcohol and High Intensity UV sterilization method prior to client use include, but are not limited to the following:

- Computers and Tablets
- Conference Phones
- Clickshare, Slide Advancers, Wireless Mouse
- Flipchart Markers and Easels
- Projectors
- Microphones
- Powerstrips
- Podiums
- Touch panels
- Cabling
