SPA MENU

Hours of Operation

Monday to Friday 10:00am – 6:00pm | Saturday and Sunday 10:00am – 7:00pm.

Appointments

We recommend you make your appointment in advance to allow you to choose the times which best suits your schedule. Appointments are held with a credit card. To make an appointment, please contact 305.908.5460 or extension 5460 from your guest room.

Arrival

Please arrive at least 20 minutes prior to your appointment to allow ample time for you to check-in, change and relax prior to your spa treatment. We recommend arriving even earlier to enhance your experience and enjoy our facilities. If you arrive later than your scheduled appointment time, your session will still end as scheduled time as a courtesy to the next guest.

Facilities

On the day of your service, we invite you to experience our beautiful relaxation area. Locker rooms for both men and women are available and feature a Swiss shower, private shower, dressing area and AVEDA bath amenities. All guests experiencing services of 50 min or more (excluding hair and nails) have access to our pool and beach and may enjoy the use of our fitness room. The spa front desk will issue cards to spa guests, with which they will get pool towels to use during the day. Towel and cards must be returned to the spa front desk or a fee of \$39 will be charged.

What to wear

Along with a swimsuit for co-ed areas, we recommend you wear comfortable, casual clothes for pre and post treatment. During treatments, you may wear undergarments (disposable available) a swimsuit or undress to your level of comfort, either way, your modesty will be protected at all times. We recommend wearing no jewelry during treatment.

Preparing for your treatment

We recommend showering prior to using facilities and before your treatment. Clean skin will better absorb the essential oils, scrubs and/or creams used in our massage treatments, facials body treatments and nail therapies. We also recommend using the steam room before your treatment. Warming up the muscles prior to your treatment opens up circulation, enhances relaxation and increases treatment results.

Age Requirement

Guests must be 16 years of age or older to enjoy spa services and facility. Nail and hair services are available to guests 12 years and older when accompanied by a parent or guardian.

JUST FOR HIM

GENTLEMEN'S FACIAL

Men's skin, specifically the face, is different than that of women. It tends to be thicker, oilier and sensitive due to daily shaving, continuous exposure to the sun and lack of a daily skincare regimen. We will customize your treatment considering your specific needs while taking into account that men require a deeper cleaning to remove the impurities that cause breakouts, blackheads and ingrown hairs. We will enhance your facial experience with a scalp, face, neck and shoulder massage to relieve everyday tension.

50 min \$150 | 80 min \$200

GENTLEMEN'S BACK FACIAL

Our therapists will provide a deep cleaning treatment of the back, with a heavy focus on massage to boost circulation and open pores for proper cleaning and exfoliation. Pressure points and deep massage strokes make this back facial much more than just a "pampering" skin treatment – it will deeply relax and rebalance you.

50 min \$170

GENTLEMEN'S MANICURE & PEDICURE

During the manicure, our nail technicians will treat your nails and cuticles to proper maintenance, offer a relaxing hand and forearm massage and finish it off by your choice of buff or clear polish. Our spa pedicure will revive tired feet and legs while giving attention to the common problem feet encounter – dry and rough skin. We will treat your nails and cuticles to proper maintenance, provide a foot and lower leg massage including exfoliation and finish with your choice of buff or clear polish.

MEN'S RETREATS

Gentlemen require special attention too! Most of our journeys and retreats are ideal for both men and women but we've created a couple that are more tailored to men's specific needs, but with the same goal – to leave them feeling relaxed and looking good.
