

TROPICAL ENGAGEMENTS

Magical moments to remember with beachside proposals or a private dinner engagement soiree

Ready to pop the question and looking to create a special moment to remember? Then wow your honey with one of our globally or tropically inspired romantic set-ups. No matter if you're desiring a sunset engagement on the sand or an enhanced setting for a private dinner in our tropical gardens, we will help you stage an unforgettable experience.

LUXURY BEACH PROPOSALS

These laid-back, yet glamorous settings are available in two looks:

LOVE PALMS

A tropical resort-style bright color palette, with exuberant florals, ocean motifs and natural materials all inspired by The Palms' design and décor.

DUNE ROMANCE

Global style in ivory/metallic palette with Moroccan décor, teepee backdrop, and rose arrangement reminiscing of the tales of One Thousand and One Nights.

PRIVATE DINNER STAGING

An ultra-romantic look, tailored to the Gazebo or tiki cabana setting. Ideal for dinner proposals, elopements, and special occasions, or as post-beach engagement dinner that extends the Palms' on-property experience.

AFFAIR TO REMEMBER

A sparkling tablescape combined with floating orchid-laced candles, floor lanterns, and a light curtain installation to create the 'ultimate' dinner date in our Gazebo or one of our Tiki Cabanas. This option is to be paired with either our I LOVE YOU or I LOVE YOU MORE dinner menus.

Based on availability. Custom options available.
Reservations required at least 1 week prior, 2 weeks if custom.
