

DEAR PERRINE & 2E FRIENDS & FAMILY,

We hope that you are staying safe during these unprecedented times. As of March 17th 2020, we have made the difficult decision to temporarily close for service to prioritize the health and safety of our team, our guests, and our community.

This decision did not come lightly, but is in support of the preventative measures set forth by the Mayor's office of New York City. While we hoped to remain open during this time, we know that this decision has the best interest of the public in mind.

We continue to learn new information from the CDC on a daily basis. We trust by following their recommendations we will be able to reopen at a time that is safe for everyone.

Sincerely Yours,

The Perrine & 2E Teams
