

A Statement From Our General Manager To Our Valued Guests Neighbors Supporting Neighbors

The Pierre is committed to supporting our local authorities and their efforts to stop the spread of the coronavirus. As testing increases and the number of confirmed cases continues to rise, we have made the decision to temporarily cease all hotel operations through May 21, 2020. As a result, we will not be accepting reservations for arrivals until after that date.

The health and safety of our associates, our guests and our communities is our top concern. It is our belief that only by working together, will we be able to help stop the progress of COVID-19.

While the hotel is closed, we will take full advantage of our closure to completely sanitize the premises as we continue to monitor the latest developments from the CDC.

While we move forward and anticipate with hope the end of this extraordinary time, we thank you for your loyal patronage and apologize for this inconvenience. We look forward to serving you again when we reopen.
