

The Redbury
NEW YORK

Creative. Soulful. New York City.

Whether traveling for business or pleasure, The Redbury New York serves as the perfect home away from home in the heart of Manhattan. Our unique history and unsurpassed NoMad location, along with our luxury amenities and customizable services, maintain our title as one of the most sought-after NYC hotels around. Creative visionary Matthew Rolston drew design inspiration from the 1920's music publishing mecca known as Tin Pan Alley; and those influences can be seen in our 259 newly renovated guest rooms.

With over 7,000 square feet of indoor and outdoor event space, The Redbury New York is an excellent choice for your next meeting, party, wedding, or special event. We are also a home to four Roman-style culinary destinations from renowned chef, Danny Meyer's Union Square Hospitality Group: MARTA, Vini e Fritti and Caffè Marchio.
