

## CHILDREN'S POLICY

The Reefs Hotel & Club welcomes children of all ages. In fact many of our repeat guests first visited the hotel when they were children. However, we know at certain times, particularly during May through August, we need to balance the exuberance of our younger guests with the need for other guests to have a relaxing, rejuvenating and pleasant vacation.

As a consideration to all guests, please bear in mind that this exuberance can be overwhelming to those seeking to relax, particularly in our restaurants and around the pool.

- [Children's Dress Code in Dining Areas](#) – The dress code for The Reefs is elegant casual. During evening dining, all guests, no matter the age, children are expected to adhere to the dress code. Unacceptable attire includes blue jeans, casual T-shirts, tank tops, baggie shorts, baseball caps, open-faced sneakers and flip flops.

We appreciate your assistance in following the guidelines above to ensure everyone has a memorable Bermuda getaway.
