### DINE AROUND

As our guest on the Meal Plan (MAP), you can choose to dine at Cambridge Beaches as part of your dining experience. Please make a reservation at Front Desk by 5 pm on the evening you wish to dine. Guest Service Agent will make the reservation request with Cambridge Beaches and confirm with you on the day of the exchange if the reservation has been confirmed. During the busy summer season, when occupancy is very high, it is not always possible to confirm every request for exchange dining. If your request cannot be met on one evening, you will be priority listed on your next request.

### **LUNCH VOUCHER OPTION**

For guests on our Meal Plan (MAP), should you wish to dine at a restaurant that is not part of our dining venues, you may exchange your dinner for lunch. Please let Front Desk know by 5 pm the evening you wish to dine out and they will give you a lunch exchange voucher to be used during your stay. Please note that a lunch exchange voucher cannot be issued retroactively but only in advance, so please let Front Desk know in advance before you decide to dine out.
