### LOCAL PARTNERS

At the heart of our cooking is our love for all things Vermont: Most of our meats, cheeses, and produce come from local Vermont farms. We passionately support our fellow Vermonters including Sandiwood Farm, Knee Deep Farm, and Boyden Valley Farm.. Our belief in local sustainable produce has also led us to cultivate our first garden this year with seed starters and plants provided by Half Pint Farm in Burlington. Thank you for your support and for supporting hardworking Vermonters!
