Why The Summit Hotel Belongs On Your 2018 Bucket List

CINCINNATI (March 2, 2018) – The Summit, a Dolce hotel, is poised to become the Queen City’s most memorable and immersive hotel when it opens this April. If you’re planning a trip in 2018, you’ll want to make sure you keep Cincinnati and its newest hotel on top of your list, just an hour’s flight or a day’s drive for more than 60% of the U.S. population. Here’s why:

1. **Jaw-dropping features.** Cincinnati has never seen a hotel like The Summit. Featuring a nine-story atrium, the Monumental Staircase, the Library and an Art Gallery curated with local and international works, the entire hotel is designed to be a sensory experience. Plan to spend time enjoying a cocktail with a view at one of the cozy firepits on the 15,000 sq. ft. Rooftop Terrace. Play billiards in the Library, or enjoy a local craft beer in one of the seating nooks at Brew & Barrel.
2. **Local eats by local chefs.** Led by Executive Chef Kyle Goebel, food at The Summit is locally sourced and seasonally influenced. Kyle is a certified Chef de Cuisine and Sommelier whose experience includes working in the kitchens of some of the country’s most renowned chefs. Look for herbs grown on the rooftop, honeycomb from local bees and sausage made in-house.
3. **Artful dining atmospheres.** Three dining options – The Overlook Kitchen + Bar, Brew & Barrel and The Market – stand ready to satisfy your every craving. For an interactive chef experience in an open kitchen, head to The Market for breakfast or Sunday brunch. For cozy conversations, premier coffee and gourmet breakfast sandwiches, start your day at Brew & Barrel. In the evening, it evolves into a sophisticated bar with small plates and an emphasis on local craft beers. For a truly memorable experience, choose The Overlook Kitchen + Bar adjacent to The Rooftop Terrace, where you can enjoy cocktails, local beers, outstanding wines and a menu of delicious items ranging from small bites to in-season meals, all while

taking in the view and the stars from the lushly landscaped Terrace. Nestled next to the firepits, conversation seating and live music on the Terrace, The Overlook is a perfect place for lunch, dinner or late-night drinks.

4. **Meetings made amazing.** If business brings you to The Summit, expect meeting spaces filled with ergonomic seating, state-of-the-art technology and natural light that floods in from large windows. During breaks, you'll find Nourishment Hubs™ featuring Thoughtful Food for Thoughtful Minds™. A diverse outpost of fun, healthful foods including protein-rich, vegan and gluten-free options, from-scratch snacks and interactive stations like s'mores bars featuring marshmallows made in-house.
5. **Authentic service.** As the staff seeks to surprise and delight, they also work to connect with each guest, helping them to create memorable experiences that turn into Summit stories to take home and share, until they visit again.
6. **Gorgeous guest rooms.** Each guest room is oversized and features floor-to-ceiling windows and chic decor. Guests will find thoughtful amenities including robes and slippers, and safes built into the dresser drawers. (Watch for the details in these rooms, which include science-inspired wallpaper featuring an artistic take on DNA, a nod to the hotel's Medpace neighbor.)
7. **Location, location, location.** Just one minute from I-71, The Summit sits conveniently in the heart of Cincinnati's upscale East Side. Dozens of craft breweries, renowned restaurants, sporting venues, parks and boutiques are just minutes away, many of them served by the hotel's complimentary guest shuttle. It also makes for an ideal staycation for Cincinnatians looking to explore their hometown.
