THE ART OF DECANTING

Please ask your server for our decenter slection

THE MAMBA FATTO

The mamba's poised upright stance and coiled design creates a series of air pockets which double decants the wine. This decanter is perfect for younger wines.

EVE

The sinuous curves of the eve decanter causes the wine to flow through its serpentine shape, that's perfect for double decanting young full bodies wines.

BACCHUS

Named after the roman god of wine. It's unique horn shape & wide bowl provides excellent aeration after decanting. This allows the wine to evolve and fully express its qualities. Perfect for both younger and wines with age.
