SPA & WELLNESS COLLECTIVE

âme THE NEXT EVOLUTION IN MODERN WELLNESS

A destination spa providing blended experiences of time-tested treatments, the newest technologies, and a world-class collection of traditional, integrative, and holistic practitioners within the comfort of Turnberry.

WELLNESS CIRCUIT

Prepare your body to receive the maximum benefits of any spa treatment by arriving an hour early to journey through our signature Wellness Circuit. Located in both the men's and women's locker rooms, our Wellness Circuit enables you to make the most of the earth's natural healing resources.

FIRST STOP: AROMA, CHROMA & MUSIC THERAPY STEAM ROOM

This is the holistic practice of caring for the body through the use of natural scents and essential oils. Like water and heat, light is a fundamental life force, and the integration of colored lights — ranging from airy blue to sensual red — plus steam, creates a therapeutic environment rich in remedial elements. Steam also cleanses and nourishes the skin, while softening the muscles in preparation for body and beauty treatments.

SECOND STOP: HIMALAYAN SALT SUITE

Salt therapy offers a variety of benefits including relief from respiratory health concerns, skin conditions, and also aids in recovery from surgery and other complicated procedures. Our Himalayan salt walls are custom designed, naturally organic, and without the risk of side effects.

THIRD STOP: SIGNATURE SWISS SHOWER

TAG Shower is a 5 minute full-body experience rooted in hundreds of years of European hydrotherapy. Divided into multiple body zones, different water temperatures and pressures are delivered to your body simultaneously. Using this contrasting therapy and hydro-massage, your attendant will set your chosen hydrotherapy sequence.

GHARIENI

âme is the world's only complete showroom of Gharieni ultra-luxe spa beds and equipment.

MLW SOFT EXPERIENCE TABLES

Massages are performed on the Gharieni MLW SOFT, with its pillow-soft upholstery, this luxury treatment table is one of the most comfortable massage tables in the world.

AMETHYST QUARTZ TABLE

Warm sand quartz cocoons the body and replicates the benefits of a day spent at the beach. Quartz minerals impart wellness benefits and healing energy, creating ionized air, which supports your respiratory system and produces negative ions to clear the air.

LIBRA™ TABLE

Reimagine a hydrotherapy treatment turned into a luxurious experience featuring unparalleled high tech design that incorporates chromatherapy and sound therapy with its choreographed water pulsations and strengths. Elevate the body to a transcendental state while lying on an air-filled mattress and being surrounded by soothing sounds and warm cascading water.

WELLNESS 4D

Add-on \$30

High tech meets high touch with this award-winning new treatment that uses eight table positions so therapists can effectively and precisely reach every muscle group. It features table positions ranging from "RELAX" to "float away from tension", to "DEEP" for more direct and intensive work on your back and main muscle groups.

SPA.WAVE

Add-on \$30

The exclusive spa experience elevates your favorite wellness treatment to a new level. The heated water mattress will make you feel light, allowing for a more intensive relaxation. Audio frequencies, matched to the body's energy chakras, move through gentle acoustic waves to reduce stress, improve sleep, and balance moods. Individualize this experience with a choice of color therapies built into the Amphibia table. Your therapist will guide you in the color selection to support and intensify the result of your wellness treatment.
