SHIP TO SHORE CABLE SETS

Hubbell

30 Amp Cable Sets

- UL Listed
- Jute filler inside jacket for maximum cable flexibility
- Molded flex neck adds life to cable set by helping to prevent right angle cable damage and pullout
- Strain relief bull ring protects against stress and strain on the conductors caused by boat movement, crew traffic, and rough handling

- Molded design totally encased in solid PVC material, for superior waterproofing and durability
- Exclusive copper crimp barrel termination provides protection against internal overheating and burnout compared to brass crimps

50 Amp Cable Sets

- Thermoset contact carrier is arcing and heat resistant
- Sealing lip to protect plug/receptacle connection from moisture
- Bull ring for strain relief on the terminals

- Molded in flex feature controls the angle of cord entry and helps keep water out
- Copper crimp barrels for reliable terminations
- Nickel plated brass shell for positive alignment of keying and corrosion resistance

Ward's Marine Electric Paralleling

This portable adapter will permit the safe connection of your 100 amp 120/240 volt AC single phase shore power cord to two compatible 50 amp 120/240 volt AC shore power dock receptacles. A state-of-the-art safety circuit protects from short circuits and shock hazards while easy to understand instructions ensure simple and straightforward operation.

If the two dock receptacles are supplied from the same utility power source [and can be safely interconnected] the adapter will automatically check the phase relationship, correct phasing when needed, and make a safe parallel connection. In the case of incompatible power sources [where safe parallel connection is not possible] the adapter will connect your 100 amp shore power cord to a single 50 amp power source only, which will permit the operation of limited onboard loads.

*** Unit will not work on docks with GFCI protection**

SPPA-50

Item Number	100 Amp	Price
SPPA-50		\$6,430.00

Hubbell Paralleling

- Call for IP ratings
- Yellow or white material
- Internal logic sense
- Fully molded
- Crimped terminations

IMPORTANT SAFETY NOTE
YQ100PLUS: This adapter must be connected to an on board, center tapped isolation transformer. DO NOT USE this adapter if such a transformer or converter is not available

YQ100PLUS

Shore Power

DOCKSIDE ADAPTERS

Ward's Marine Electric Dockside

This portable adapter permits the safe connection of one or two 50 amp 120/240 volt AC shore power cords to a single 100 amp 120/240 volt AC shore power pedestal. Dedicated 50 amp circuit breakers protect each of the 50 amp shore power systems separately. Ask our sales department about our special order unit that permits connection of your 50 amp cords to a 100 amp three phase power source, if certain safety conditions are met.

64CM100

Item Number	Ratings	Price
64CM100	(2)50A, 120/240VAC(boat), 100A, 120/240VAC (dock)	\$3,075.10

This adapter can be used in conjunction with the Hubbell YQ100PLUS adapter or any 50 amp to 100 amp paralleling adapter that is not equipped with the automatic phase correction feature. The adapter will reverse the phasing of the 50 amp 120/240 volt AC shore power source. This adapter is not necessary with the Ward's Marine Electric SPPA-50 and its unique automatic phase correction feature.

Shore Power

BOOST EQUIPMENT + DOCK POWER CENTERS

Ward's Marine Electric

- 10% boost
- ABYC compliant
- Portable
- Durable
- Useful for 115/230 volt AC shore power systems
- Suitable for 200-220 volt dock power sources

BB208

These portable boost transformers are safe, powerful, and can protect your 115/230 volt AC equipment from many harmful low dock voltage conditions. Both the 100 amp and 50 amp versions are equipped with durable carrying handles and can be conveniently set next to your dockside power pedestal. When

connected, a static 10% voltage boost is delivered to provide safer and more effective power to your boat. There are no manual overrides on these units, so the voltage will be boosted 10% regardless of input voltage. Not suitable for marinas where erratic voltage fluctuations occur.

Item Number	Price
BB208/230-100	\$3,844.25
BB208/230-50	\$1,885.00
