A Gateway to Charleston's Gilded Age

From pressed tin ceilings and warm parquet floors to original Tiffany glass panels sparkling over doorways, the gracious guest rooms and suites of the Wentworth Mansion exude the Gilded Age elegance you'd expect in the late 19th century home. The experience is equally gracious. Gather with fellow guests for a full breakfast at Circa 1886 before venturing out to explore Charleston, or return in the late afternoon for a glass of wine and hors d'oeuvres, or sip a glass of port before retiring for the evening.
