THE MILLS HOUSE

Wyndham Grand Hotel

Charleston Weddings

During the 1850's, Charleston, South Carolina was a jewel of culture and commerce. Horse-drawn carriages, gas-lit cobblestone streets, the famous downtown market and an abundance of splendid architecture highlight the city's charm. In the midst of this prosperity, Otis Mills saw the need for a fine hotel, a place where visitors could feel at home among the marble floor, priceless antiques and impeccable service, a place that allowed guest to truly experience Charleston's renewed hospitality. Today the Mills House continues its legendary tradition of Southern Hospitality. With the completion of a \$17 million restoration in 2014, the Mills House Wyndham Grand has reclaimed the prestige of providing the quintessential Charleston experience and is the one of the top locations in the city to host your Wedding.
